Finally, mentor texts written by teenagers, to help your students craft convincing arguments. In this new collection of 100 essays curated by The New York Times, students will find mentor texts written by their peers–13-to-18-year-olds–on a wide range of topics, including social media, race, video games, lockdown drills, immigration, tackle football, and the #MeToo movement. All of the essays were either winners or runners-up from The New York Times Learning Network 2014-2019 Student Editorial contests, in which students could take on any issue they liked and, in 450 words or fewer, persuade readers—including educators from around the country as well as Times judges—to adopt their point of view. The essays have been selected for their voice, style, and use of evidence, as well as to present snapshot of issues across a dozen categories that are of particular interest to adolescents. Student Voice is also available as a package with Raising Student Voice: 35 Ways to Help Students Write Better Argument Essays, from The New York Times Learning Network, a teacher's companion guide packed with practical advice from teachers, Times editors, and even student winners about how to use these essays in writing instruction.

Fresh, vibrant, concise, and affordable, the Sixth Edition of AT A GLANCE: WRITING ESSAYS AND BEYOND, WITH INTEGRATED READINGS, will help your students master the recursive flow of writing by revising and editing systematically. Linking reading and writing, this book's tell-show-engage writing instructions, demonstrations, and exercises involve students in all stages of the writing process as they move from simple to more complex parts of assignments. With emphasis on the summary, reaction, and two-part response, reading-based writing provides experience in critical thinking, enabling students to write with substance across the disciplines and transition smoothly to the next tier of their English program. The Sixth Edition features a handbook chapter covering fundamentals; fourteen new readings; additional writing prompts; short-story review instruction; optional career-related writing units for your career-minded students; an updated ten-step research paper chapter; a new chapter on writing classification; a streamlined Self-Evaluation Chart; and a Writing Process Worksheet with a checklist based on the new Brandon Guide for Revising and Editing. Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates. Real Essays with Readings is the essay-level book in Susan Anker's highly successful series of writing texts that motivate students with their message that writing is an essential skill in college and in real life – and that this skill is achievable. Anker's advice, examples, and assignments show the relevance of writing to all aspects of students' lives, and profiles of former students prove that success is attainable. Like all the books in the Anker series, Real Essays presents writing in logical, manageable increments: step-by-step writing guides and a focus on the "four basics" of each mode of writing keep students from becoming overwhelmed. Real Essays maintains its emphasis on what really matters by focusing on the four most serious errors (fragments, run-ons, subject-verb agreement problems, and verb form problems). Real Essays gives students what they need to succeed in college and become stronger academic writers.

How to Write Psychology Research Reports and Essays, 7e is endorsed by the Australian Psychological Society and is a useful reference to the strict guidelines required by the APS and the APA (American Psychological Association) styles. A student who grasps these concepts and learns the conventions will have a sound basis for presenting research in a professional manner, and writing well argued essays, so that the later step of writing for publication should be an easier one to take.

This is a practical guide to studying more effectively at first and higher degree levels. Primarily for students looking for more than just a basic study skills book, it blends practical ideas with sound principles to offer a readily accessible, handy guide. This third edition includes a new chapter on distance learning and updated chapters about online and computer-based learning, in addition to essential advice on personal survival in the university setting developing a good learning attitude using ebooks, online searcher and electronic media time management, deadlines and task management essay technique and writing your dissertation small-group and seminar study. Packed with useful information and guidance, this is an indispensable read for any student in higher education.
