Help students brush up on their times tables and multiplication skills with 10 Minutes a Day: Multiplication Grade 3. Starting with simple tasks like multiplying by 2 and working up to multiplying and dividing fractions, every aspect of the subject is covered with fun activities, word problems, and exercises to help build confidence. Accompanied with a digital timer, the 10 Minutes a Day series provides quick exercises testing a range of skills and knowledge. Each spread takes a maximum of ten minutes to complete, with a mix of problems that can be quick to answer, or take a little longer. Complete with parents' notes including tips, guidance, and answers, these workbooks are the perfect reinforcement aids for help at home. Supports the Common Core State Standards.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. There is nothing more important than your child's education, but sometimes it's difficult to find the time to squeeze everything in. Part of the best-selling Carol Vorderman "Made Easy" home-learning workbooks, the 10 Minutes a Day series fits in around busy lives. Aimed at ages 3 to 5, Maths covers a range of curriculum subjects, including patterns, sets, sizes, shapes, colours, comparing, and of course counting. Each exercise is simply and clearly introduced and uses a variety of interesting methods to help learning, from dot-to-dot to drawing and colouring, based on themes that a young child can easily relate to, such as animals, getting dressed, food, and at the park. For the eager student, there are extra "time filler" challenges on every page if they finish the questions within 10 minutes, if they want to carry on practising, or just want ideas of activities to do at home. Answers are provided along with parents' notes that explain what your child learns from the exercise. Perfect both for the budding mathematician and those who need a little more support, 10 Minutes a Day: Maths is a colourful and controlled approach to mastering maths.
