Ronald Reagan's Cold War strategy was well established in his first year in office and did not change throughout his presidency. It was to make absolutely sure in the minds of the Soviets that they too would be destroyed in a nuclear war—even as Reagan sought an alternative through strategic defense to make nuclear missiles obsolete and thus eliminate the possibility of an all-out nuclear war. This book offers new perspectives on Ronald Reagan's primary accomplishment as president—persuading the Soviets to reduce their nuclear arsenals and end the Cold War. It details how he achieved this success and in the process explains why Americans consider Reagan one of our greatest presidents. The authors examine the decisions Reagan made during his presidency that made his success possible and review Reagan's critical negotiations with Soviet leader Mikhail Gorbachev—ending with the 1988 Moscow Summit that effectively ended the Cold War. They present Gorbachev's thoughts on Reagan as a great man and a great president 20 years after he left office. But ultimately, they reveal the depth of Reagan's vision of a world safe from nuclear weapons, painting a clear portrait of a Cold Warrior who saw the possibility of moving beyond that war.

Lebanon hosts the highest number of refugees per capita worldwide and is central to European policies of outsourcing migration management. Hybrid Political Order and the Politics of Uncertainty is the first book to critically and comprehensively explore the parallels between the country's engagement with the recent Syrian refugee influx and the more protracted Palestinian presence. Drawing on fieldwork, qualitative case-studies, and critical policy analysis, it questions the dominant idea that the haphazardness, inconsistency, and fragmentation of refugee governance are only the result of forced displacement or host state fragility and the related capacity problems. It demonstrates that the endemic ambiguity that determines refugee governance also results from a lack of political will to create coherent and comprehensive rules of engagement to address refugee "crises." Building on emerging literatures in the fields of critical refugee studies, hybrid governance, and ignorance studies, it proposes an innovative conceptual framework to capture the spatial, temporal, and procedural dimensions of the uncertainty that refugees face and to tease out the strategic components of the reproduction and extension of such informality, liminality, and

exceptionalism. In developing the notion of a "politics of uncertainty," ambiguity is explored as a component of a governmentality that enables the control, exploitation, and expulsion of refugees.

The first book to focus specifically on the late German artist Christoph Schlingensiefel's theatre work, it subversively merges art, politics and everyday life to imbue his productions both inside and outside the theatre with a re-energized concept of the political in art. Scheer traces Schlingensiefel's artistic lineage as a filmmaker with no formal training in theatre, whose work does not correspond to theoretical frameworks such as postdramatic theatre, Regietheater, or established categories of political theatre such as Brechtian, community, and agit-prop theatre. She explores how his work instead draws upon the highly performative gestures of the historical and post-Cold War avant-gardes as well the happenings and event-based practices of the sixties. Comprehensive case studies of six diverse theatrical and activist events are offered to demonstrate both the immediacy of Schlingensiefel's response to contemporary social and political events and his use of a range of artistic influences and different genres: Rocky Dutschke '68 (1996), Save Capitalism: Throw the Money Away! (1999) The Berlin Republic or the Ring in Africa (1999) Hamlet (2001), Atta Atta or Art Has Broken Out! (2003) and the Church of Fear (2003). Key questions such as how his theatre functions as a provocation, and how an artist can insert themselves into the powerful flows of imagery produced by the perpetual global news cycle, form a coherent line of enquiry throughout each of the chapters. The significance of Schlingensiefel's artistic legacy of politicized theatre-making that pioneers new modes of active, aesthetic and public engagement in the political realm remains pertinent to topical socio-political debates and is of relevance to an international audience across a diversity of disciplines.

Key Features:This is the only book in India, exclusively published for NIMHANS PG Entrance Exam and is very successful since 2001. NIMHANS Online Pattern MCQs of 2017 exams included. 780 Image-based NIMHANS Pattern Questions are provided with utmost clarity. 5,200 NIMHANS Pattern Previous Exam Questions thoroughly revised and updated from 19th Edition of Harrison's Internal Medicine and 26th Edition of Bailey & Love's Surgery. MCQs are arranged year-wise in each subject from 1998-2017. Very thoroughly verified answers from super-specialty subject experts, faculty members of neuro institutes and PG aspirants. Explanations are provided precisely in bullet and tabulated form incorporating only high yield and relevant facts. Repeatedly asked questions and their essence has been highlighted as important points in nutshell. More illustrations are added to understand the difficult topics better. Necessary Mnemonics for faster learning have been added.

The examiner-reviewed P7 Practice and Revision Kit provides invaluable guidance on how to approach the exam. It contains past ACCA exam questions for you to try and a question plan to assist with your revision. Three mock examinations provide ample opportunity to practise questions and marking schemes show you how the examiner awards marks.

As per the norms of Right of Children to Free and Compulsory Education (RTE) Act 2009, the Ministry of Human Resource Development, Government of India has made it compulsory to qualify State Level T.E.T (Teachers Eligibility Test) even to qualify as a teacher at an elementary level. Considering the significance of all eligibility tests at State level or Central level, I have brought this unique book for all the aspirants which will help them immensely to perform well in the CTET/State TET exams. This Book - CTET & TETs - Child Development and Pedagogy Paper 1 & 2 contains an insight about each and every concept with detailed notes and explanation on the same. It also covers Previous Year Question Papers with answers from CTET Paper 1 & Paper 2 (2011-2019). This book will help you in understanding and all the key concepts and kind of questions expected in CTET & other State TETs. This book is also useful for KVS/NVS aspirants, B.Ed. Students, Grade XI students, teachers and anyone who is interested in psychologists, theories, pedagogy concepts, concepts on child development etc. This book has been designed in such a way that learners with minimum English language skills will also comprehend the concepts. The book will definitely help you understand each and every concept very clearly and to get extraordinary score in CTET and other TETs in your first attempt itself.
