one of its great enigmas. A religious man and a ruthless on-field sledger. A brutal enforcer, and a soft-hearted family man. Australian record-holder for highest score in Tests and One Day Internationals, who was at times troubled by self-doubt and doubters. In *Standing My Ground* Hayden confronts these contradictions head-on. He talks frankly about the forces that shaped his journey from fringe international to a giant of the game, and takes us on a privileged tour inside the sporting machine that dominated all comers in a golden age of Australian cricket. This isn't a predictable ball-by-ball account of a stellar career. Instead, Hayden delivers a characteristically direct assessment of the matches and the people that mattered most. He opens up on umpires, the media, superstitions, teammates and opponents with disarming honesty and humour. The country boy from Kingaroy rose to greatness in the cricket world. Here is the superstar batsman, the surfer, fisherman and chef in a book as bold and powerful as the man himself.

The subject of the Academy Award-winning documentary *The Lady in Number 6: Music Saved My Life*, Alice Herz-Sommer was the world's oldest Holocaust survivor when she died on February 23, 2014. *A Century of Wisdom* is the true story of her life—an inspiring story of resilience and the power of optimism. Before her death at 110, the pianist Alice Herz-Sommer was an eyewitness to the entire last century and the first decade of this one. She had seen it all, surviving the Theresienstadt concentration camp, attending the trial of Adolf Eichmann in Jerusalem, and along the way coming into contact with some of the most fascinating historical figures of our time. As a child in Prague, she spent weekends and holidays in the company of Franz Kafka (whom she knew as “Uncle Franz”), and Gustav Mahler, Sigmund Freud, and Rainer Maria Rilke were friendly with her mother. When Alice moved to Israel after the war, Golda Meir attended her house concerts, as did Arthur Rubinstein, Leonard Bernstein, and Isaac Stern. Until the end of her life Alice, who lived in London, practiced piano for hours every day. Despite her imprisonment in Theresienstadt and the murders of her mother, husband, and friends by the Nazis, and much later the premature death of her son, Alice was victorious in her ability to live a life without bitterness. She credited music as the key to her survival, as well as her ability to acknowledge the humanity in each person, even her enemies. *A Century of Wisdom* is the remarkable and inspiring story of one woman's lifelong determination—in the face of some of the worst evils known to man—to find goodness in life. It is a testament to the bonds of friendship, the power of music, and the importance of leading a life of material simplicity, intellectual curiosity, and never-ending optimism. Praise for *A Century of Wisdom* “An instruction manual for a life well lived.”—*The Wall Street Journal* “As if her 108 years of experience alone were not enough to coax you, there is the overarching fact that draws people to Herz-Sommer's story: She survived the Theresienstadt concentration camp and is believed to be the oldest living Holocaust survivor.”—*The Washington Post* “I have rarely read a Holocaust survivor's memoir as enriching and meaningful. Get Caroline Stoessinger's book, *A Century of Wisdom*, telling Alice Herz-Sommer's tale of her struggles and triumphs. You will feel rewarded.”—Elie Wiesel “*A Century of Wisdom* is a stately and elegant book about an artist who found deliverance in her passion for music. Caroline Stoessinger writes with a special purity, as though she were arranging pearls on a string of silk.”—Pat Conroy “As one of millions who fell in love on YouTube with Alice Herz-Sommer, a 108-year-old Holocaust survivor who plays the piano and greets each day with no hint of bitterness, I'm grateful to Caroline Stoessinger for writing a book that explains this mystery. You will be inspired by the story of Alice Herz-Sommer, who lives to teach us.”—Gloria Steinem “I walked on the cobblestones in Prague for thirty years wondering who might have walked on them before me: Kafka, Freud, Mahler. It feels like a miracle to have encountered, in Caroline Stoessinger's wonderful book, Alice Herz-Sommer, who walked with them all—with a heart full of music.”—Peter Sis “*A Century of Wisdom* is universal and will enrich readers for generations to

‘That day I cried like a baby not because I feared what cancer would do but because I didn’t want the disease. I wanted my life to be normal, which it could not be.’ For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—*The test of my life*—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

The #1 New York Times bestselling author of *What Went Wrong?* tells the story of his extraordinary life. After September 11, Americans who had never given much thought to the Middle East turned to Bernard Lewis for an explanation, catapulting *What Went Wrong?* and later *Crisis of Islam* to become number one bestsellers. He was the first to warn of a coming “clash of civilizations,” a term he coined in 1957, and has led an amazing life, as much a political actor as a scholar of the Middle East. In this witty memoir he reflects on the events that have transformed the region since World War II, up through the Arab Spring. A pathbreaking scholar with command of a dozen languages, Lewis has advised American presidents and dined with politicians from the shah of Iran to the pope. Over the years, he had tea at Buckingham Palace, befriended Golda Meir, and briefed politicians from Ted Kennedy to Dick Cheney. No stranger to controversy, he pulls no punches in his blunt criticism of those who see him as the intellectual progenitor of the Iraq war. Like America’s other great historian-statesmen Arthur Schlesinger and Henry Kissinger, he is a figure of towering intellect and a world-class raconteur, which makes *Notes on a Century* essential reading for anyone who cares about the fate of the Middle East.

Looks at the history of recording technology and its effect on music, including artistic performance, listening habits, and audience participation.

Greenwich, Connecticut, 1922. Newspaper man Joe Henry finds himself the primary suspect when his friend, fellow reporter Wynton Gresham, is murdered. Both were veterans of French battles during WWI—the war that was supposed to end all wars. Unanswered questions pile up in the wake of a violent night: Gresham lies dead in his home, a manuscript he had just completed has gone missing, three Frenchmen lay dead in a car accident less than a mile from Gresham's home, and a trunk full of Gresham's clothes lay neatly packed in his bedroom. Hours after his friend's death, Henry discovers in Gresham's desk drawer a one-way ticket reserved in his friend's name aboard a steamer ship to France. The ticket is dated for the next day. Henry steals away under Gresham's identity, escaping the heated interrogation of the town sheriff, to Paris in the roaring 20s. In the City of Light he becomes a hunted man. To clear his name he must find the man responsible for his friend's murder, while evading his own, and discover the deadly secret revealed in the lost manuscript. In the process, with the help of other broken veteran expats of Hemingway's Lost Generation living in Paris, he finds hope in a world irrevocably altered by war. Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In *No Spin*, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Gatting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in *No Spin* Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever.
