In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest.

An alternative autobiography of the well-loved actor and man of the theatre. In *My Life in Pieces* Simon Callow retraces his life through the multifarious performers, writers, productions and events which have left their indelible mark on him. The story begins with Peter Pan – his first ever visit to the theatre – before transporting us to southern Africa and South London, where Callow spent much of his childhood. Later, he charms his way into a job at the National Theatre box office courtesy of his hero, Laurence Olivier – and thus consummated a lifetime's love affair with theatre. Alongside Olivier, we encounter Paul Scofield, Michael Gambon, Alan Bennett and Richard Eyre, all of whom Callow has worked with, as well as John Gielgud, Ralph Richardson and Alec Guinness, David Hare, Simon Gray and many more. He writes too about figures he did not meet but who greatly influenced his life and work, figures such as Stanislavsky, Nureyev and Cocteau, as well as Charles Laughton and Orson Welles. And he even makes room for not-quite-legit performers like Tony Hancock, Tommy Cooper, Frankie Howard – and Mrs Shufflewick. The result is a passionate, instructive and beguiling book which, in tracing Simon Callow's own 'sentimental education', leaves us enriched by his generosity and wisdom. 'first rate... the
