The book they tried to ban has been re-released! This is the ultimate supercharged study book that has helped thousands of students pass their exam first time. Studying for your AML exam can be daunting. Anti Money Laundering is a complex subject, and plain-talking information is difficult to find. This book was created to provide practical, concise, and easy-to-understand revision notes. Now in its second edition, this book contains an exclusive set of practice exam questions, written in a similar style to the actual exam, so you will be well-prepared and confident on exam day. Every question also includes the correct answer, and a detailed explanation as to why the answer is correct, to help you better understand the rationale.

Studying for your ACAMS (R) CAMS AML exam can be daunting. Anti Money Laundering is a complex subject, and plain-talking information is difficult to find. This book, now in its second edition, was created to provide some practical, concise and easy-to-understand revision notes. As well as covering all key areas of Anti Money Laundering, the book also covers Prevention of Terrorist Financing. This book contains an exclusive set of mock practice exam questions, written in a similar style to the actual exam so you will be well prepared for the question style on the day. The 88 question exam covers every aspect of the material so you can address any gaps in your knowledge and re-study the related material. Every question also includes the correct answer, and a detailed explanation as to why the answer is correct to help you better understand the logic behind the solutions.

The Certified Anti-Money Laundering Specialist Certification is one of the most sought after credentials in financial services today. By choosing to take the exam, you are embarking on the quest to acquire one of the three criteria required to be designated with this industry standard of excellence. (Other two criteria are Education and Experience. See ACAMS website for more details.) The official guide questions do not prepare the candidate very well for the exam. CAMS Examination Practice Test is here to address that. Included are helpful tips about the studying the material, exam preparation, exam taking strategies and two versions of the practice test so that the candidate is given more practice.

Anti-Money Laundering in a Nutshell is a concise, accessible, and practical guide to compliance with anti-money laundering law for financial professionals, corporate investigators, business managers, and all personnel of financial institutions who are required, under penalty of hefty fines, to get anti-money laundering training. Money laundering is endemic. As much as 5 percent of global GDP (\$3.6 trillion) is laundered by criminals each year. It's no wonder that every financial institution in the United States—including banks, credit card companies, insurers, securities brokerages, private funds, and money service businesses—must comply with complex examination, training, and reporting requirements mandated by a welter of federal anti-money laundering (AML) laws. Ignorance of crime is no excuse before the law. Financial institutions and businesses that unknowingly serve as conduits for money laundering are no less liable to prosecution and fines than those that condone or abet it. In *Anti-Money Laundering in a Nutshell: Awareness and Compliance for*

Acces PDF Acams Study Guide Audio

Financial Personnel and Business Managers, Kevin Sullivan draws on a distinguished career as an AML agent and consultant to teach personnel in financial institutions what money laundering is, who does it, how they do it, how to prevent it, how to detect it, and how to report it in compliance with federal law. He traces the dynamic interplay among employees, regulatory examiners, compliance officers, fraud and forensic accountants and technologists, criminal investigators, and prosecutors in following up on reports, catching launderers, and protecting the integrity and reputations of financial institutions and businesses. In particular, corporate investigators will gain rich insights winnowed from the author's experiences as a New York State and federal investigator.

obligations. It includes a comprehensive selection of example documents, checklists and an unrivalled collection of training materials.

ACSM ' s Resources for the Personal Trainer provides a broad introduction to the field of personal training, covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function, but the market for it has expanded to practitioners in the field looking for an additional resource, as well as in an academic setting where the book is a core text for personal training programs.
