American Sign Language (ASL) is a vibrant, easy-to-learn language that is used by approximately half a million people each day. Current with the latest additions to ASL and filled with thousands of brand new photographs by Deaf actors, Learn American Sign Language is the most comprehensive guide of its kind. - Learn more than 800 signs, including signs for school, the workplace, around the house, out and about, food and drink, nature, emotions, small talk, and more. - Unlock the storytelling possibilities of ASL with classifiers, easy ways to modify signs that can turn "fishing" into "catching a big fish" and "walking" into "walking with a group." - Find out how to make sentences with signs, use the proper facial expressions with your signs, and other vital tips.

Language is intrinsic as to expressing the feelings, thoughts, and fostering our emotions/intentions sharing with one another, whether if it's words, pictures, ideas, or whatever passes on with two individuals or groups. It's an important function that develop our relationship with others. Deaf people like to use sign language in such manner that share their valued communication which they can comfortably understand each other visually. The research shows that deaf and hearing children will learn sign language naturally if their parents and other people around them use the language. They will learn sign language in the same way as other children learn spoken languages like English. So it is important for schools to start teaching American Sign Language to students at a young age.

Now includes streaming video, additional tips, advice, and updated resources! Since 2004, Baby Sign Language Basics has introduced hundreds of thousands of parents and caregivers around the globe to the miracle of signing with their babies —and left them wanting more! Now, in this newly expanded edition, Monta Z. Briant provides more than 300 American Sign Language (ASL) signs, illustrated with the same clear, easy-to-understand photos and descriptions. Baby-specific signing techniques, songs, and games are also included to make learning fun and to quickly open up two-way communication. Parents will meet real signing families and learn how to make sign language a part of their everyday interactions with their children. Also included is a video signing dictionary featuring all the signs from the book. Just point and click, and see the sign you want to learn come alive! This is a must-have for all parents, grandparents, and anyone else who spends time with preverbal children. After all, what parent or caregiver doesn't want to know what their baby is trying to tell them?

Start "talking" with your baby today and discover what they're really trying to tell you With the gift of sign language, you can communicate with your child as early as four to six months, reduce tantrums, build verbal language skills, and create a stronger bond than ever! Using trusted American Sign Language (ASL), Baby Signing Essentials is the go-to guide for parents, caregivers, and educators looking to create effective two-way communication. Designed to grow with your baby by covering physical, emotional, mental, and linguistic development at each age, this shows you how to start signing right from your baby's birth or later on. Featuring: •200 illustrated ASL signs (including 50 essential signs like MILK, MORE, and EAT) •Easy-to-follow instructions to help you make each sign correctly •Age-specific advice on working with infants, toddlers, and beyond •Fun tips to incorporate signing into daily routines

Learning a new language is easier than you think! This informative book teaches you the basics of American Sign Language. As many as two million Americans communicate with American Sign Language, making it the third most-used language in the United States. American Sign Language uses easy-to-follow photographs to teach you the alphabet, numbers, and simple words and phrases. Divided into categories—such as animals, people, and pronouns—the book and accompanying flash cards show you how to use your hands to communicate. Once you've learned the alphabet, you'll build on that knowledge to learn the words for “ friend, ” “ family, ” and so much more! And when you see how the words for “ chicken ” and “ cat ” evoke a chicken opening and closing its beak and a cat stroking its whiskers, you'll truly understand how intuitive and enjoyable learning American Sign Language can be!
