Indigo people hold great hope for the future - the promise of a new humanity and civilization. They are visionary and creative, progressive and independent. They carry new energies and manifest different ways of thinking and feeling. Are you an indigo adult soul and just don't know it? This book will help you identify if you (and your children) are Indigos, and will help you understand yourself more clearly.

This book connects you with Heaven's help to fill in the gaps of manifestation teaching. We all think we know what we want, but we don't know that what we want will actually bring us happiness. This book encourages us to step back from whatever it is we are dreaming about, recheck our priorities, work on potential karmic and past-life blocks we may not have known about, and then move forward with a more open mind that is less prone to attracting disappointment. Once you take more responsibility for your thoughts and energy/emotions, you'll be able to fine-tune your life and use your God-given power of manifestation to attract benefits rather than obstacles. You'll learn how to: • Work with Divine Timing and the Power of Prayer with Archangel Sandalphon • Frame Your Desires through Visualization and Affirmations with Archangel Gabriel • Harness the Power of Your Inner Passion with Archangel Nathaniel • Clear Your Fears of Happiness with Archangel Michael • Release Karmic Attachments and Cut Past-Life Cords with Archangel Raziel • Heal from Past Pain with Archangel Raphael
