Besos de murciélago es una historia divertida para leer en una tarde ya que se hace muy breve con un poco más de 200 páginas. El libro cuenta una historia demasiado sobrecargada de exageraciones para mi gusto, lo que le quita verosimilitud a la historia de James y Kelsey y la convierte en algo un poco

Besos de murciélago - Silvia Hervás Título: Besos de murciélago (Finalista Premio Ellas Juvenil Romántica) Autora: Silvia Hervás Editorial: Montena Nº Páginas: 239 Formato: ebook Precio: 2,99€ ISBN: 9788415580096 SINOPSIS:

A return to the world of THE LONELY HEARTS CLUB -- in a novel that gets to the heart of how hard relationships can be . . . and why they are sometimes worth all the drama and comedy they create. When Penny Lane started The Lonely Hearts Club, the goal was simple: to show that girls didn't need to define themselves by how guys looked at them, and didn't have to value boyfriends over everything else. Penny thought she'd be an outcast for life . . . but then the club became far more popular than she ever imagined it would be. But what happens when the girl who never thought she'd date a good guy suddenly finds herself dating a great one? She doesn't need a boyfriend . . . but she wants it to work out with this particular boyfriend. And he wants it to work out with her. Only, things keep getting in the

way. Feelings keep getting hurt. Words keep getting misunderstood. Penny Lane worked hard to declare her independence. Now she needs to figure out what to do with it -- and how to balance what she wants with what everyone else wants.

Baring her soul in an anonymous survey for a marital happiness study, Alice catalogues her stale marriage, unsatisfying job and unfavorable prospects and begins to question virtually every aspect of her life. A first adult novel by the best-selling author of *The Slippery Year*. 75,000 first printing.

In this contemporary family saga, the Angelini Shoe Company, makers of custom wedding shoes since 1903, is one of the last family businesses in Greenwich Village. On the brink of financial ruin, it falls to thirty-three-year-old Valentine Roncalli, the talented but unsuspecting apprentice, to bring her family's old-world craftsmanship into the twenty-first century. Juggling a romantic relationship with dashing chef Roman Falconi, her duty to her family, and a design competition for a prestigious department store, Valentine accompanies her grandmother and master artisan Teodora to Italy in the hope of finding inspiration. There, in Tuscany and on the Isle of Capri, she discovers her artistic voice and much more, turning her life around in ways she never expected.

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the "heat of the moment" is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to "cure" homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona's Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

A sweeping novel of intrigue and identity, of love and legacy, as a young woman discovers that her own fate is irrevocably tied—for better or worse—to literature's greatest star-crossed lovers. Twenty-five-year-old Julie Jacobs is heartbroken over the death of her beloved aunt Rose. But the shock goes even deeper when she learns that the woman who has been like a mother to her has left her entire estate to Julie's twin sister. The only thing Julie receives is a key—one carried by her

mother on the day she herself died—to a safety-deposit box in Siena, Italy. This key sends Julie on a journey that will change her life forever—a journey into the troubled past of her ancestor Giulietta Tolomei. In 1340, still reeling from the slaughter of her parents, Giulietta was smuggled into Siena, where she met a young man named Romeo. Their ill-fated love turned medieval Siena upside-down and went on to inspire generations of poets and artists, the story reaching its pinnacle in Shakespeare's famous tragedy. But six centuries have a way of catching up to the present, and Julie gradually begins to discover that here, in this ancient city, the past and present are hard to tell apart. The deeper she delves into the history of Romeo and Giulietta, and the closer she gets to the treasure they allegedly left behind, the greater the danger surrounding her—superstitions, ancient hostilities, and personal vendettas. As Julie crosses paths with the descendants of the families involved in the unforgettable blood feud, she begins to fear that the notorious curse—"A plague on both your houses!"—is still at work, and that she is destined to be its next target. Only someone like Romeo, it seems, could save her from this dreaded fate, but his story ended long ago. Or did it? Praise for *Juliet* "One of those rare novels that have it all . . . I was swept away"—Sara Gruen, author of *Water for Elephants* "Juliet leads us on a thrilling treasure hunt through present-day Italy that makes the classic tragedy itself spellbinding all over again."—Elle "Boldly imagined, brilliantly plotted, beautifully described, *Juliet* will carry you spellbound until the gripping end."—Susan Vreeland, author of *Clara and Mr. Tiffany* "The Shakespearean scholarship on display is both impressive and well-handled."—The Washington Post

Stephen King's first collection of short stories showcases the darkest depths of his brilliant imagination and will "chill the cockles of many a heart" (Chicago Tribune). Featuring "Jerusalem's Lot," the basis for the upcoming tv series *Chapelwaite*. Here we see mutated rats gone bad ("Graveyard Shift"); a cataclysmic virus that threatens humanity ("Night Surf," the basis for *The Stand*); a possessed, evil lawnmower ("The Lawnmower Man"); unsettling children from the heartland ("Children of the Corn"); a smoker who will try anything to stop ("Quitters, Inc."); a reclusive alcoholic who begins a gruesome transformation ("Gray Matter"); and many more shadows and visions that will haunt you long after the last page is turned.

She thought she could save those she loved. He thought he could save her. They'll both learn the truth. FIDELITY, the dramatic conclusion to the epic five-novel series INFIDELITY, following Lennox "Nox" Demetri, Alexandria "Charli" Collins, the Montagues, Demetris, Fitzgeralds, and Spencers is finally here. When the vows are complete and the dust settles, who will be left standing? No one is safe, and no alliance is above suspicion in the much-anticipated finale to this hot romantic-suspense saga. Our heroine has survived betrayal, cunning, deception, and entrapment...what will happen when she's faced with fidelity? Infidelity, it isn't what you think. From New York Times and USA Today bestselling author Aleatha Romig comes a sexy, new dominant hero who knows what he wants and a strong-willed heroine who has plans of her own. With classic twists, turns, deceptions, and devotions, this new, epic romantic suspense will have readers swooning one minute and screaming the next. Have you been Aleatha'd? FIDELITY is the fifth and FINAL of five full-length novels in the INFIDELITY series. *This series does not condone nor does it advocate cheating.

Now I lay me down to sleep, I pray the Lord my soul to keep. And if I should die before I awake, I pray the popular attend my wake. Charlotte Usher feels practically invisible at school, and then one day she really is invisible. Even worse: she's dead. And all because she choked on a gummy bear. But being dead doesn't stop Charlotte from wanting to be popular; it just makes her more creative about achieving her goal. If you thought high school was a matter of life or death, wait till you see just how true that is. In this satirical, yet heartfelt novel, Hurley explores the invisibility we all feel at some times and the lengths we'll go to be seen. Praise for *ghostgirl*: * Polished dark-and-deadpan humor, it's a natural fit with Gen Y, too." --Publishers Weekly (starred review) * "[Tonya] beats out witty teen-speak like a punk-band drummer, keeping the narrative fast-paced and fun yet thought-provokingly heartwarming. Goofy, ghastly, intelligent, electrifying." --Kirkus (starred review) * "Tim Burton and Edgar Allan Poe devotees will die for this fantastic, phantasmal read." --School Library Journal (starred review) * "Readers with a taste for black humor and satire will feast on Hurley's crisp, wise dialogue. Anticipate a well deserved cult following." --VOYA (starred review) "Written with deadpan wit...this is a 'Wonderful Life'-like tale." -New York Post "A sincere (and humorous) exploration of how we all feel invisible at one time or another...perfect read." -CosmoGirl
