British Special Forces, trained to be the best. In January 1991 a squad of eight men went behind the Iraqi lines on a top secret mission. It was called Bravo Two Zero. On command was Sergeant Andy McNab. "They are the true unsung heroes of the war." -- Lt. Col. Steven Turner, American F-15E commander. Dropped into "scud alley" carrying 210-pound packs, McNab and his men found themselves surrounded by Saddam's army. Their radios didn't work. The weather turned cold enough to freeze diesel fuel. And they had been spotted. Their only chance at survival was to fight their way to the Syrian border seventy-five miles to the northwest and swim the Euphrates river to freedom. Eight

set out. Five came back. "I'll tell you who destroyed the scuds -- it was the British SAS. They were fabulous." -- John Major, British Prime Minister. This is their story. Filled with no-holds-barred detail about McNab's capture and excruciating torture, it tells of men tested beyond the limits of human endurance... and of the war you didn't see on CNN. Dirty, deadly, and fought outside the rules.

the SAS soldier who invented the modern military memoir comes a storming battering ram of thrill-packed, unforgettable drama. Never-before-revealed covert operations and heartbreaking human stories combine to create a new classic and a book that takes us back to where it all began... SEVEN TROOP is Andy McNab's gripping account of the time he served in the company of a remarkable band of brothers – from the day, freshly badged, he joined them in the Malayan jungle, to the day, ten years later, when he handed in his sand-coloured beret and started a new life. The things they saw and did during that time would take them all to breaking point – and some beyond – in the years that

followed. He who dares doesn't
always win... _____

_____ "Paying tribute to
the soldiers he served with for 10
years, he tells the poignant story
of five brave men of whom,
tragically, he is the only one still
alive." - News of the World

"Brutal, touching, and humorous,
this book recounts McNab's time
in the SAS's Air Troop. It made
me realise that he can fight as
well as write. Treading in the
footsteps of Sassoon, Brooke and
Owen he pretty much founded
the genre of the modern military
memoir." Professor Kevin Dutton,
University of Oxford _____

_____ What people are saying
about SEVEN TROOP: ★★★★★

Read Online Bravo Two Zero 20th Anniversary

Edition
"From the heart of a true warrior"

★★★★★ "Seven Troop is yet another well written account of SAS actions on a much more personal scale, literally "a day in the life" thereof." ★★★★★ "What he does differently in this book compared to his two others is describe the costs of being SAS. How he and others react to the deaths of their friends when they are killed on operations, the political decision making of the higher ups that override tactical common sense, being a small cog in a big machine and ultimately not being very valued by SAS headquarters."

Inspired by his own career as an SAS soldier, Andy McNab's best selling series continues with Crisis

Four as Nick Stone finds himself at the centre of a deadly game of cat and mouse when he is ordered to track down a rogue colleague. Nick Stone is extremely highly trained. Clever, ruthless and very effective, it is no surprise that he is hired by British Intelligence. On deniable operations - one of the most dangerous lines of work. Sarah Greenwood is beautiful, intelligent and cunning - and the only woman Stone has ever truly opened up to. But now he has been ordered to hunt her down. Stone must get to the heart of a terrifying conspiracy theory to which only Sarah holds the key. But will he manage to before the tension reaches boiling point?

Read Online Bravo Two Zero 20th Anniversary Edition

Just a few years ago, people spoke of the US as a hyperpower—a titan stalking the world stage with more relative power than any empire in history. Yet as early as 1993, newly-appointed CIA director James Woolsey pointed out that although Western powers had "slain a large dragon" by defeating the Soviet Union in the Cold War, they now faced a "bewildering variety of poisonous snakes." In *The Dragons and the Snakes*, the eminent soldier-scholar David Kilcullen asks how, and what, opponents of the West have learned during the last quarter-century of conflict. Applying a combination of evolutionary theory and detailed

Read Online Bravo Two Zero 20th Anniversary

field observation, he explains what happened to the "snakes"-non-state threats including terrorists and guerrillas- and the "dragons"-state-based competitors such as Russia and China. He explores how enemies learn under conditions of conflict, and examines how Western dominance over a very particular, narrowly-defined form of warfare since the Cold War has created a fitness landscape that forces adversaries to adapt in ways that present serious new challenges to America and its allies. Within the world's contemporary conflict zones, Kilcullen argues, state and non-state threats have increasingly come to resemble each other, with states adopting non-state techniques and non-

Read Online Bravo Two Zero 20th Anniversary

state actors now able to access levels of precision and lethal weapon systems once only available to governments. A counterintuitive look at this new, vastly more complex environment, The Dragons and the Snakes will not only reshape our understanding of the West's enemies' capabilities, but will also show how we can respond given the increasing limits on US power.

A decorated member of the Princess of Wales' Royal Regiment recounts his 2004 tour of duty in Iraq, a six-month service of peaceful intentions that were violently altered by hostile attacks by the people of Al Amarah. Reprint. 100,000 first printing.

Read Online Bravo Two Zero 20th Anniversary

Struggling for reconciliation and peace, JARHEAD is authentic, revelatory and brilliantly crafted. Anthony Swofford's grandfather fought in WWII; his father fought in Vietnam; and he - a directionless, testosterone-battered teenager - became a scout/sniper in the marines and fought in the Gulf War. His account of that time is also part of a lineage - after Wilfred Owen, Norman Mailer, Michael Herr and Tim O'Brien, it brings the raw and searing tradition of soldiers' stories up to date.
