That was the breakthrough prayer that saved my life.' --Danny 'Talk about breakthrough prayer! I was buried under 110 stories of steel and concrete on 9/11. There is no gaining that God's plan concerning every man on earth is that he prospers and be in health. Unfortunately, many people suffer lack, and most times, are not successful in whatever they lay their hands on. This is not the will of God for such people. Satan - the age long enemy of man is responsible for this, using his emissaries to afflict his victims in the kingdom of darkness. This book is specially packaged to put an end to such afflictions from the kingdom of darkness, as it offers over 200 inspired Prayers that will attract money, financial ideas and favor of God and man into your life. The prayers in this book are not meant to be prayed casually, they are highly spiritual. There is no other book like this book. Why? This is because the prayers were released by the Holy Spirit while meditating on over 150 special scriptures that will command financial release over your life. Friend, As I read each passage, by virtue of my gifts of prophecy and healing, the Holy Spirit instantly released those prayers, and I put them down as I heard the Holy Spirit spoke to my spirit. So you can see clearly that these prayers were not formulated or guessed. This is why I'm fully convinced that this book will be of immense blessings to you. The prayers in this book covers all areas of your life, you will only be able to appreciate the book when you go through all the prayers. This is because the prayers are spiritually discerned and arranged. You are to pray the prayers in this book with all seriousness. Pray most of them repeatedly before moving to the next prayer. These prayers would be very great during your special midnight prayers. Furthermore, since these prayers were released while meditating on God's word, you can pray this prayer perfectly even if you don't have access to the Holy Bible during your prayers. I look forward to your arrays of testimonies as you read this book and add the wisdom and Grace in it to your life and family.

In Fresh Wind, Fresh Fire, pastor Jim Cymbala shares the lessons he learned when the Spirit ignited his heart and began to move through his people. Cymbala knows that times are urgent, but God is on the move. Pastor Jim Cymbala believes that Jesus wants to renew his people - to call us back from spiritual dead ends, apathy, and lukewarm religion. Cymbala knows the difference firsthand. Back in the early 1970s, his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they began to pray, God began to move, and street-hardened lives by the hundreds were changed with the love of Christ. Today, they are nearly ten thousand strong. This well-loved book, with over one million copies sold, shares the story of what happened to this broken-down church in one of America's toughest neighborhoods and points the way to new spiritual vitality in the church and in your own life. Fresh Wind, Fresh Fire shows what the Holy Spirit can do when believers get serious about prayer and the gospel. As this compelling book reveals, God moves in life-changing ways when we set aside our own agendas, take him at his word, and listen for his voice. In this new 20th anniversary edition, Cymbala updates the classic stories, including that of his own daughter, Chrissy Cymbala Toledo. He talks about how the church has grown and how God helped the church move from its location on Flatbush Avenue to a larger facility that the growing church couldn't "afford." And it is so appropriate that the church meets in a building that was once a theater, as God is dramatically reshaping the life stories of so many people who encounter Christ and the power of the gospel. This message of hope and transformation continues.

For some of us being a Christian is harder than it should be. Discouraged, anxious, worn down, we wonder what happened to the power and the joy that Jesus promised. Christianity, he says, for even the best-intentioned person or church, is impossible without the Holy Spirit. You can have regular devotions, great preaching, a strong emphasis on the Bible, a great worship team, and a congregation that is trying, but if you aren't vially in touch with God's Spirit, you are missing out on the life God has for you. The Holy Spirit, he points out, is God's agent on earth. Yet he is the least understood, least preached about, and least discussed member of the Trinity. That is sad, because without him, our spiritual lives will always become dry, mechanical, and a struggle. Too often, the body of Christ is divided into two sides. One side stresses the Word of God, separating itself from what it views as the emotional fanaticism often linked to those emphasizing the Holy Spirit. The other side is sometimes known for drifting into unbiblical manifestations and unorthodox teaching while attributing it all to the Spirit of God. But the Christianity we see in Scripture is both grounded in the Word and full of the Spirit. With stunning stories of how God is working in the lives of people and churches today and biblical teaching about the Holy Spirit, Jim Cymbala invites you to experience God in a fresh and vital way. Nothing else will change our prayer life, our study of God's word, and our worship more than opening our hearts to the Spirit. If we want power, confidence, joy, peace, and more love in our lives, then we need a better understanding of how and why the Spirit moves so we can join him there.

In this powerful follow-up to his bestseller The Prayer of Jabez, Dr. Bruce Wilkinson explores John 15 to show readers how to make maximum impact for God. Dr. Wilkinson demonstrates how Jesus is the Vine of life, discusses four levels of "fruit bearing" (doing the good work of God), and reveals three life-changing truths that will lead readers to new joy and effectiveness in His kingdom. Secrets of the Vine opens readers' eyes to the Lord's hand in their lives and uncovers surprising insights that will point them toward a new path of consequence for God's glory.
