Vesak (Buddha Day) Vesak is the birthday of the Buddha and the most important festival in Buddhism. On the first full moon day in May, Buddhists all over the world celebrate the birth, enlightenment and death of the Buddha in a single day. The name "Vesak" comes from the Indian month of that name in which it is held.

A contemporary and diverse picture of the journey through life in each world religion.

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

Mithuna signifies as a couple- a male and female. It symbolises the procreative duality. All the creation emanates from the union of this couple, be it any being. Mithuna figures distinctly appear in the buddhist art from the 2nd C. B.C. onwards at a number of buddhist sites. In Andhra, Mithunas predominantly appear in Amravati, Goli and Nagarjunakonda site sculptured

panels. Though some effort was made to unravel the significance of Mithuna art by historians, proper analysis was not made and hence the inadequacy. This endeavour Nagarjunakonda and Amravati art has the richest depiction of the Mithuna art. The Andhra art was studied as a whole by several scholars but emphasis was not given for studying the Mithuna art.

Merging Buddhist mindfulness practices with the Twelve Step program, this updated edition of the bestselling recovery guide *One Breath at a Time* will inspire and enlighten you to live a better, healthier life. Many in recovery turn to the Twelve Steps to overcome their addictions, but struggle with the spiritual program. But what they might not realize is that Buddhist teachings are intrinsically intertwined with the lessons of the Twelve Steps, and offer time-tested methods for addressing the challenges of sobriety. In what is considered the cornerstone of the most significant recovery movement of the 21st century, Kevin Griffin shares his own extraordinary journey to sobriety and how he integrated the Twelve Steps of recovery with Buddhist mindfulness practices. With a new foreword by William Alexander, the author of *Ordinary Recovery*, *One Breath at a Time* takes you on a journey through the Steps, examining critical ideas like Powerlessness, Higher Power, and Moral Inventory through the lens of the core concepts of Buddhism—the Four Noble Truths, the Eightfold Path, mindfulness, loving-kindness, and more. The result is a book that presents techniques and meditations for finding clarity and awareness in your life, just as it has for thousands of addicts and alcoholics.

From one of America's most brilliant writers, a *New York Times* bestselling journey through psychology, philosophy, and lots of meditation to show how Buddhism holds the key to moral clarity and enduring happiness. At the heart of Buddhism is a simple claim: The reason we suffer—and the reason we make other people suffer—is that we don't see the world clearly. At the heart of Buddhist meditative practice is a radical promise: We can learn to see the world, including ourselves, more clearly and so gain a deep and morally valid happiness. In this "sublime" (*The New Yorker*), pathbreaking book, Robert Wright shows how taking this promise seriously can change your life—how it can loosen the grip of anxiety, regret, and hatred, and how it can deepen your appreciation of beauty and of other people. He also shows why this transformation works, drawing on the latest in neuroscience and psychology, and armed with an acute understanding of human evolution. This book is the culmination of a personal journey that began with Wright's landmark book on evolutionary psychology, *The Moral Animal*, and deepened as he immersed himself in meditative practice and conversed with some of the world's most skilled meditators. The result is a story that is "provocative, informative and...deeply rewarding" (*The New York Times Book Review*), and as entertaining as it is illuminating. Written with the wit, clarity, and grace for which Wright is famous, *Why Buddhism Is True* lays the foundation for a spiritual life in a secular age and shows how, in a time of technological distraction and social division, we can save ourselves from ourselves, both as individuals and as a species.

This book argues that donation is one of the central practices in early Buddhism for, without it, Buddhism would not have survived and flourished in the many centuries of its development and expansion. Buddhist relationship between donors and renunciants developed quickly into a complex web that involves material life and the views about how to attend to it. Buddhist *dana*'s great success is due to the early and continuing use of accommodation with other faiths as a foundational value, thus allowing the tradition to adapt to changing circumstances.

This book deals with the unique religio-political system of Tibet.

This title analyzes one of the most important ideas in Buddhist philosophy: the doctrine of skillful means. It presents an analysis of a familiar subject, thus providing a way of understanding Buddhist thought. It argues that Buddhism is best understood as a philosophy of practice - or a metapraxis - and that terms such as emptiness, non-self, and nirvana refer less to metaphysical principles than to skillful teachings that help people cultivate compassion and mindfulness. Each section of the book focuses on a debate over philosophical justification and the problem of trying to establish a fixed doctrine in Buddhism and reveals an on-going debate that is central to the various Buddhist traditions throughout Asia.

Introduces readers to the Buddhist religion, reviewing the life of Buddha and examining the teachings and practices of the Buddhist sects now prevalent in the United States: Theravada or Hinayana, Tibetan Buddhism, and Zen
