But Seriously: An Autobiography by John McEnroe review ...

But seriously is an interesting and insightful autobiography which documents John McEnroe's later career. He comes over as a single minded individual who cares deeply for his family and I'm glad he has evidently found happiness with his wife Patti and their 6 children.

Online Library But Seriously An Autobiography

He is one of the most controversial sportsmen in history and a legend of Open Era tennis. But after reaching the top of his game - what came next? A decade after his international number-one bestseller *SERIOUS*, John McEnroe is back and ready to talk. Now the undisputed elder statesman of tennis, McEnroe has won over his critics as a matchless commentator and analyst at Wimbledon and other Grand Slam tournaments - with outspoken views on the modern game and its top players. He has continued to compete on the court, winning the ATP Champions Tour a record six times, and has travelled the globe to play in charity events. More surprising have been the calls from TV producers, inviting John to riff on his famous hot temper in cult shows such as *30 ROCK* and *CURB YOUR ENTHUSIASM*. And then there is his long-standing passion for American contemporary art. In *BUT SERIOUSLY* John McEnroe confronts his demons and reveals his struggle to reinvent himself from ex-champion to father, broadcaster and author. The result is a richly personal account, blending anecdote and reflection in an inspirational re-evaluation of what it means to be - and stay - successful.

A NEW YORK TIMES BESTSELLER John McEnroe's long-awaited follow-up to his #1 bestseller *He is one of the most controversial and beloved athletes in history, a tennis legend and a volcanic, mesmerizing presence. But after reaching the top of his game - what came next? Fifteen years after his international number-one bestseller You Cannot Be Serious, John McEnroe is back and ready to talk. Now the undisputed elder statesman of tennis, McEnroe has won over his critics as a brilliant commentator at the US Open, Wimbledon, and other Grand Slam tournaments - with outspoken views on the modern game, its top players, and the world of 21st century sport and celebrity. Who are the game's winners and losers? What's it like playing guitar onstage with the Rolling Stones, hitting balls with today's greats, confronting his former on-court nemeses, getting scammed by an international art dealer, and raising a big family while balancing McEnroe-sized expectations? In *But Seriously*, John McEnroe confronts his demons and reveals his struggle to reinvent himself from champion and tennis legend to father, broadcaster, and author. The result is a richly personal account, blending anecdote and reflection with razor sharp and brutally honest opinions, all in McEnroe's signature style. This is the sports book of the year: wildly entertaining, very funny, surprisingly touching, and 100% McEnroe.*

John McEnroe enjoyed tremendous success at all levels of tennis, and he owns 77 career singles titles, including 7 Grand Slams. He joined the circuit in 1978 and it took him only three years to attain the No. 1 ranking. The 1980 Wimbledon final, between McEnroe and Bjorn Borg, is considered by many tennis experts to be the best match ever, a five-set thriller which McEnroe avenged the following year for his first Wimbledon title. In doubles, McEnroe is recognised as the best player of all time. He was ranked No. 1 for a record 257 weeks and captured a total of 74 titles, including 8 Grand Slams. Still an active

Online Library But Seriously An Autobiography

player, McEnroe is now an outstanding tennis commentator and broadcaster for the BBC and other national networks. This autobiography, his first, covers an awesome tennis career, marriage to movie star Tatum O'Neal and where arguably the greatest tennis player of all time goes from here. This is SERIOUS.

A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. *You Cannot Be Serious* is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his “wild ride” through the world of professional tennis at a boom time when players were treated like rock stars. In this “bracing serve-and-volley autobiography” (The Boston Globe) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O'Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. “A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down.”—Serena Williams In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous “Battle of the Sexes.” She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

The Outsider is a no-holds-barred memoir by the original bad boy of tennis, Jimmy Connors. Connors

Online Library But Seriously An Autobiography

ignited the tennis boom in the 1970s with his aggressive style of play, turning his matches with John McEnroe, Bjorn Borg, and Ivan Lendl into prizefights. But it was his prolonged dedication to his craft that won him the public's adoration. He capped off one of the most remarkable runs in tennis history at the age of 39 when he reached the semifinals of the 1991 U.S. Open, competing against players half his age. More than just the story of a tennis champion, *The Outsider* is the uncensored account of Connors' life, from his complicated relationship with his formidable mother and his storybook romance with tennis legend Chris Evert, to his battles with gambling and fidelity that threatened to derail his career and his long-lasting marriage to Playboy playmate Patti McGuire. When he retired from tennis twenty years ago, Connors all but disappeared from public view. In *The Outsider*, he is back at the top of his game, and as feisty, outspoken, and defiant as ever. This autobiography includes original color photographs from the author.

In this memoir, Neil Patrick Harris shares intimate and hilarious stories about everything from his early days in LA, life on the *How I Met Your Mother* set, secrets from backstage at award shows, and family life with David, Harper, and Gideon. He also lets you, the reader, choose which path you want him to follow.--Adapted from publisher description.

"Originally published in Great Britain by Century, an imprint of Penguin Random House UK, London, in 2016"--Title page verso.

Delivering inspiration and "parenting comedy at its finest,"* here is one woman's story of ditching her fairytale dreams and falling in love with her unpredictable, chaotic, imperfect life Kristina Kuzmic has made herself a household name, speaking directly to mothers from the trenches of parenthood via her viral videos and social media presence. She is now bringing her message of self-acceptance, resilience, and joy to book readers. With a refreshingly unpretentious, funny, and galvanizing voice, Kuzmic goes behind the scenes to reveal how she went from broke and defeated to unshakably grounded and brimming with thankfulness. Illuminating the hard-won wisdom from a life always spent one step behind--whether it was as a high school student new to America, a suddenly single mother to two kids, remarried and juggling two teens and a toddler, or the unexpected recipient of Oprah's attention and investment--*Hold On, But Don't Hold Still* is the book every mother needs to reassure her that she's not only fine just as she is, but that she already has more tools and support than she can possibly imagine. Sparkling with wit, this heartfelt memoir is like a long coffee date with a best friend, or the eleventh-hour text message that gives you just the boost you need to get through the night. *The Huffington Post A VIKING LIFE TITLE

Online Library But Seriously An Autobiography

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.
