Caged Slave by Yukio Takamura - Goodreads

"Caged Slave" is a well plotted story, easy to follow (I have found some Yaoi novels to have very confusing plots, although that might be because I am not Japanese so am missing some cultural understanding or it might have been a poor translation), very few typos, and with quite a few steamy scenes of a very adult nature.

Those familiar with the author's previous forays into the world of Hong Kong Cinema and Spaghetti Westerns will know pretty much what to expect here, and it falls far short of any dictionary definition of "essential". Short, cursory capsule reviews, short on insight, style and cultural context and high on typographical and factual errors, accompanied by an arbitrary star rating from one to four. The main virtue

of Weisser's self-published book is its rigorously completist approach. Even though it states that it is not the aim to include every single film from Japan ever released, with separate editions available for a more complete look at Horror, Science Fiction and Fantasy, and Sex Films, and one planned for animation ("pleae check our subsiquent books" [sic], Weisser writes in the intro for the fourth edition), this initial volume certainly covers a lot of films and does give quite a good indication as to how much is actually out there.

The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun (1899-1987), one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II. Throughout his career, Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved

the way for a generation of Japanese internationalists and experimentalists, including Abe Kobo and Oe Kenzaburo. Highly acclaimed and respected in Japan, Ishikawa remains little known in the West-in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues. Combining a strong interest in politics with a brilliant use of modernist techniques, Ishikawa's work defies easy categorization. Banned in 1938, "Mars' Song" has been called the finest example of anti-war fiction written during Japan's march to war in China and the Pacific. In it Ishikawa denounces the chorus of jingoism that swept Japan, and via a metafictional tale within a tale, he warns against the suicidal destruction to which complicity in warmongering will lead. The allegorical

"Moon Gems," written in the spring of 1945, further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat. In "The Legend of Gold" and "The Jesus of the Ruins," both from 1946, Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection. Finally, the semi-surrealistic novella *The Raptor* plumbs the meanings and possibilities of peace in the post-Occupation era. William Tyler's eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works. In a perceptive introduction and the critical essays that follow, Tyler emphasizes Ishikawa's importance as an anti-establishment--even "resistance"--writer and argues that the writer's political

iconoclasm goes hand-in-hand with the modanizumu of his literary experimentation. The Legend of Gold will be of tremendous importance in enlarging a Western understanding of the development of the writer's role as social critic and the evolution of the modernist movement in postwar Japan.
