---

### Christian Ethics, Options and Issues - The Gospel Coalition

Christian ethics is not concerned only with our right and wrong actions. We are complex people, and life itself is complex. Therefore, in studying Christian ethics, God wants us to consider not only (1) the action itself but also (2) a person's attitudes about the action, (3) the person's motives for doing the action, and (4) the results of the action.

wisely. Based on the best-selling college and seminary ethics textbook *Moral Choices*, this book distills nearly two decades of teaching and study into a succinct and user-friendly volume. It is an ideal primer for pastors, students, and everyday Christians who desire engagement with the world around them in an intelligent and informed manner. Teaching and study resources for the book, including additional video clips based on the questions corresponding to each chapter, make it ideal for use in the classroom as well as for pastors and for teaching settings within the church. third edition offers extensive updates, revisions, and brand new material, all designed to help students develop a sound and current basis for making ethical decisions in today's complex postmodern culture. Moral Choices outlines the distinctive elements of Christian ethics while avoiding undue dogmatism. The book also introduces other ethical systems and their key proponents, including Plato, Aristotle, Augustine, Aquinas, and Kant. After describing a seven-step procedure for tackling ethical dilemmas, author Scott Rae uses case studies to help students think critically and biblically about ? Abortion ? Reproductive Technologies ? Euthanasia ? Capital Punishment ? Sexual Ethics ? The Morality of War ? Genetic Technologies and Human Cloning ? NEW: Ethics and Economics New

features include online resources for instructors; a chapter covering global capitalism, environmental ethics, and business ethics; new material on bioethics and on stem cell and embryo research; discussion questions at the end of each chapter; and sidebars with case studies.

Previously published by Cengage/Wadsworth, this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years. Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly, yet diverse, Christian moral perspectives. The anthology intentionally seeks a range of voices to produce a kind of "point/counterpoint" discussion of the ethical issue. Among
