I just installed the M309 on my boat. There is no way to "direct wire" the sub unless you want to use it as a front or rear channel. What I am doing is installing a JL Audio 700/5 to drive the 4 JL Audio 6.5's & one JL Audio 10" sub. This should provide all the power I need for the cockpit. I also picked up a JL Audio 600/6 amp.

Book 2 in the Animal Stars series - where history comes alive through the eyes of special animals. To outsiders, Mary is a queen and a threat, but to her devoted dog Folly, she is his world to the world outside her luxurious prison, Mary Queen of Scots is either a shameless beauty who killed her husband, or the rightful queen of England and Scotland, tragically held captive by Elizabeth the First. But to the dog who loved her, Mary is simply his mistress, and the centre of his life. While Mary desperately plots to seize both her freedom and the throne, her dog Folly's world is one of chasing mice behind the tapestries and enjoying turkey legs with quinces for supper. Until the day comes when they try to take his Queen away ... Based on the true story of the dog who was with Mary when she died, the Dog Who Loved a Queen is a fascinating tale of religious bigotry, plots and passion - and the unquestioning loyalty of a small Scottish terrier.

New York Times and USA Today Bestselling Author!Book 4 of the Legacy CollectionRachid bin Amir al Hantan is fighting for the sovereignty of his small country. He needs to find some powerful allies - and fast. Attending

the wedding of Dominic Corisi is as much about reconnecting with old friends as it is about celebrating nuptials. The last thing he needs right now is the distraction of a woman. Zhang Yajun is a self-made billionaire who can't believe she accepted her friend's dare to kiss Sheikh Rachid before the end of the wedding. When impulsive words lead to even more impulsive actions, these two will discover that sometimes the last thing you were looking for is the one thing that can save you. Book 1: Maid for the Billionaire Book 2: For Love or Legacy Book 3: Bedding the Billionaire Book 4: Saving the Sheikh Book 5: Rise of the Billionaire Book 6: Breaching the Billionaire: Alethea's Redemption

You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

The achievement gap between white students and African American and Hispanic students has been debated by scholars and lamented by policymakers since it was first documented in 1966. The average black or Hispanic secondary school student currently achieves at about the same level as the average white student in the lowest quartile of white achievement. Black and Hispanic students are much less likely than white students to graduate from high school, acquire a college or advanced degree, or earn a middle-class living. They are also much more likely than whites to suffer social problems that often accompany low income. While educators have gained an understanding of the causes and effects of the education achievement gap, they have been less successful in finding ways to eliminate it until now. This book provides, for the first time in one place, evidence that the achievement gap can be bridged. A variety of schools and school reforms are boosting the achievement of black and Hispanic students to levels nearing those of whites. Bridging the Achievement Gap brings together the findings of renowned education scholars who show how various states, school districts, and individual schools have lifted the achievement levels of poor and minority students. The most promising strategies include focusing on core academic skills, reducing class size, enrolling students in more challenging courses, administering annual achievement assessment tests, creating schools with a culture of competition and success, and offering vouchers in big-city school districts. While implementing new educational programs on a large scale is fraught with difficulties, these successful reform efforts offer what could be the start of widespread effective solutions for bridging the achievement gap.

The first in - depth and authoritative treatment of a key concept in Le Corbusier's work

Charity Sanderson had been Beau Parrish's lover for months, but she knew it was only a matter of time before their affair ended. She needed a man she could count on to be there, and Beau never took anything seriously. Beau loved Charity more than his own life, but knew she didn't believe that. Every time he spoke about a future together, she got skittish, and so he'd had to back off for fear of losing her completely. After giving her an ultimatum he walked out, hoping she would love him too much to let it end between them. Her accident changes everything. It forces her to see that the man she never thought he could be has been there the entire time.

Montreal in Evolution presents the rich and complex history of Montreal's architectural and environmental development from the first fort of Ville-Marie to the skyscrapers of today. It also examines the forces which shaped the city during the past three hundred and fifty years.
