Editions of Contemporary Management by Gareth R. Jones

Jones/Haddad - Essentials of Contemporary Management, "Makes Management Real" for students. The sixth Canadian edition presents management in a way that makes its relevance obvious even to students who may lack exposure to a "real-life" management context. Jones relates management theory to real life examples and drives home the message that management matters. Management matters because it ...

Third, the book has a decision-making emphasis, providing contemporary tools that readers will find useful when making decisions in the contemporary business environment. Finally, Agribusiness Management offers a pertinent set of discussion questions and case studies that will allow the reader to apply the material covered in real-world situations.

Jones/George, Essentials of Contemporary Management is the concise edition of the market bestselling textbook by the same author team. Jones and George are dedicated to the challenge of "Making It Real" for students. The authors present management in a way that makes its relevance obvious even to students who might lack exposure to a "real-life" management context. This is accomplished thru a diverse set of examples, and the unique, and most popular feature of the text, the "Manager as a Person" Chapter 2. This chapter discusses managers as real people with their own personalities, strengths, weaknesses, opportunities, and problems and this theme is carried thru the remaining chapters. This text also discusses the importance of management competencies--the specific set of skills,

abilities, and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity, ethics, globalization, and information technology are integrated throughout.

Jones and George are dedicated to the challenge of "Making It Real" for students. As a team, they are uniquely qualified to write about the organizational challenges facing today's managers. No other author team in the management discipline matches their combined research and text-writing experience. *Essentials of Management* concisely surveys current management theories and research. Through a variety of real world examples from small, medium, and large companies the reader learns how those ideas are used by practicing managers. The organization of this text follows the mainstream functional approach of planning, organizing, leading, and controlling; but the content is flexible and encourages instructors to use the organization they are most comfortable with. The themes of diversity, ethics, and information technology are clearly evident through in-text examples, photographs, "unboxed" stories, and the end-of-chapter material - all areas of importance that truly serve to bring to life the workplace realities that today's student will encounter in the course of a career.

Jones/George, *Essentials of Contemporary Management* is the concise edition of *Contemporary Management*. Jones and George are dedicated to the challenge of "Making It Real" for students. In this seventh edition of *Essentials of Contemporary Management*, the focus continues to be on providing the most up-to-date account of the changes taking place in the world of management and management practices while maintaining our emphasis on making our text relevant and interesting to students. The increased focus on the challenges and opportunities facing businesses large and small and integrated timely examples bring management issues to life for students.

Ancillary package available upon adoption.

'*Contemporary Management*' has an innovative voice, content, pedagogy, design, and package. Ethics and Social Responsibility receive full-chapter coverage, and the authors dedicate greater and deeper coverage to many important topics including ethics and digital piracy; and the stakeholder approach to ethics.

Publishing Law is an authoritative and engaging guide to a wide range of legal issues affecting publishing today. Hugh Jones and Christopher Benson present readers with clear and accessible guidance to the complex legal areas specific to the ever evolving world of contemporary publishing, including copyright, moral rights, contracts and licensing, privacy, confidentiality, defamation, infringement and trademarks, with analysis of legal issues relating to sales, advertising, marketing, distribution and competition. This new fifth edition presents updated coverage of the key principles of copyright, as well as new copyright exceptions, licensing and open access. There is also further in-depth coverage of the legal issues around the sale of digital content. Key features of the fifth edition include: updated coverage of EU and UK copyright, including a new chapter on copyright exceptions following the significant changes in the 2014 Regulations Comprehensive coverage of publishing contracts with authors, as well as with other providers, including translators, contributors and contracts for subsidiary rights up to date coverage of the Defamation Act 2013, and other changes to EU
