Billionaire Sam Hudson has pretty much lived his life with no apologies because he tries never to do anything that he's sorry about...except for what he had done in the past to Dr. Madeline Reynolds. Many years and regrets later, Sam meets up with Maddie again by chance; his brother Simon is marrying Maddie's best friend and the two of them are forced to be civil. But Sam wants to be more than polite, and he wants another chance to make things right, so he offers Maddie a bold proposition, an offer he knows she'll have a very hard time declining even though she hates him. Dr. Madeline Reynolds adores her best friend Kara and her fiancé Simon, but being forced into the company of Sam Hudson, because they are both in Simon and Kara's wedding, is pure torture. She's hated Sam for years, but when he offers her a bargain, something near and dear to her heart, she's torn between her dislike for the man and the offer of something she's always desperately wanted. Once, Sam Hudson nearly destroyed her, but Maddie discovers that sometimes things aren't always what they appear to be. When Harper's sister goes missing, she approaches an old flame for help--wondering if she might still harbor feelings for him--but finds herself falling for his twin brother instead.

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close

to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

Había encontrado una hermana de la que no conocía su existencia. Por fin, tenía de nuevo una familia, un paliativo al dolor y la soledad que lo había acompañado desde su trágica pérdida. Sí, se sentía tan feliz como se podía esperar de un hombre que había perdido la mitad de su alma y casi la totalidad de su corazón cuando el destino le arrebató a su mujer.

After four years of working for "the billionaire boss from hell" Ally Caldwell thinks she finally has her life on the right track. Her fiance is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fiance, the man she'd nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally's blindsided, realizing she'd never even knew the man she'd been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she'd always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his highhanded arrogance or his methods of "helping." Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions in check, his emotions buried under a thick layer of ice. Only his secretary and assistant, Alison Caldwell, makes him come close to losing his carefully constructed image. The obstinate female keeps shoving him closer and closer to the edge of sanity every single day. But when he finds out about her fiance's betrayal, his protective instincts roar to life inside him, making him want to ensure she's never hurt again. The only problem is...Ally doesn't want his help, and the infuriating woman does everything she can to push him away, even as the two of them are swept into an undeniable passion that neither of them can possibly ignore. Before long, Travis finds himself in ruthless pursuit of something much more important and elusive than just a business deal. Can these two very different, very stubborn people actually be meant to be together? Find out if Travis and Ally can let down their defenses and surrender to a love so powerful it will rock them to the depths of their souls in Billionaire Undone, Book Five of The Billionaire's Obsession series. 18+ only

When Kade does finally corner her, things start to get even more complicated. Asha Paritala is nothing like he expected, and the female he had tracked down as a favor for Max soon becomes a woman he wants for his very own, a woman who makes protective and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused.
