about the criminal justice system. The authors' combined experience of more than 50 years in teaching introduction to criminal justice as well as working in the field -- Bohm as a correctional officer and Haley as a police officer -- come through in their accessible yet comprehensive presentation. They make it easy for readers to understand that much of what the public "knows" about criminal justice in the United States is myth, and help students learn the truth about the U.S. criminal justice system.

Criminal Justice: A Collection of True-Crime Cases is a first-of-its-kind approach to blending theory with reality using compelling, newsworthy cases. Gripping and easy-to-digest, the handbook contains eight high profile cases that will hold readers' interest – page after page. Cases coincide with Part I crimes and discuss crimes against persons and crimes against property. Each

case follows a consistent format, providing definitions of crime, statistical data, analysis of crimes and investigative questions. Presents cases that discuss crimes against persons and crimes against property. Devotes separate coverage to murder, rape, robbery, aggravated assault, burglary, arson, larceny-theft, and motor vehicle theft. Includes high profile cases such as The Winona Ryder Shoplifting Case, The Seaton Hall Fire, and The Andrew Cunanan Case. Reinforce knowledge of Part I crimes by discussing elements of the offenses, investigative procedures, modus operandi, and the motivation for criminals to commit these crimes. Because of the unique police-style manner in which the book has been written, it is recommended that this book be utilized in a supplemental capacity for a variety of police academy training classes to include: Introduction to Criminology; Introduction to Criminal Justice;
