My Young Life songs are completely different memories from the Young Life songs of the 2000s. They ' re probably singing Jars of Clay and Switchfoot (which is so very cool). But I sang those folksy songs and loved them. I met Jesus in the pages of the well-worn brown Young Life songbook.

URL: <https://www.areditions.com/rr/rra/a071.html> The eight Little House books by Laura Ingalls Wilder (1867 - 1957), anchored in her family's history and filled with memories of frontier life, are cornerstone classics in American children's literature. Embedded in them are citations to 127 pieces of music--from parlor songs, stage songs, minstrel show songs, patriotic songs, Scottish and Irish songs, hymns and spirituals, to fiddle tunes, singing school songs, play party songs, folk songs, broadside ballads, catches and rounds. No books in American literature of comparable standing and popularity feature America's vernacular music so centrally, assign it such a major narrative role, and index it in such rich abundance. This edition is a reconstruction of "the family songbook," based on the music referenced in Wilder's books. Although no such object ever existed, her representations of music-making have likely informed the imaginations of more Americans than many a paper-and-bindings anthology, for what millions of readers have come to know about America's musical heritage is what they learned from the Little House books: the titles and lyrics to songs; how songs and tunes functioned; where they were heard; what they meant; the importance of music to individuals, families, and communities. Wilder's

references and her evocative images of music-making thus form the basis of understanding about "American music" to many readers. The Ingalls Wilder Family Songbook is an effort to give fresh voice and sound to the music inscribed in these great books and new appreciation about how music functioned during a place and time important in American history and mythology.

Who knew that Paul McCartney originally referred to Yesterday as 'Scrambled Eggs' because he couldn't think of any lyrics for his heart-breaking tune? Or that Patti LaBelle didn't know what 'Voulez-vous couches avec moi ce soir?' actually meant? These and countless other fascinating back stories of some of our best-known and best-loved songs fill this book, a collection of the highly successful weekly The Life of a Song columns that appear in the FT Weekend every Saturday. Each 600-word piece gives a mini-biography of a single song, from its earliest form (often a spiritual, or a jazz number), through the various covers and changes, often morphing from one genre to another, always focusing on the 'biography' of the song itself while including the many famous artists who have performed or recorded it. The selection covers a wide spectrum of the songs we all know and love - rock, pop, folk, jazz and more. Each piece is pithy, sparkily written, knowledgeable, entertaining, full of anecdotes and surprises. They combine deep musical knowledge with the vivid background of the performers and musicians, and of course the often intriguing social and political background against which the songs were created.

Dolly Parton, Songteller: My Life in Lyrics is a landmark celebration of the remarkable life and career of a country music and pop culture legend. As told by Dolly Parton in her own inimitable words, explore the songs that have defined her journey. Illustrated throughout with previously unpublished images from Dolly Parton's personal and business archives. Mining over 60 years of songwriting, Dolly Parton highlights 175 of her songs and brings readers behind the lyrics. • Packed with never-before-seen photographs and classic memorabilia • Explores personal stories, candid insights, and myriad memories behind the songs Dolly Parton, Songteller: My Life in Lyrics reveals the stories and memories that have made Dolly a beloved icon across generations, genders, and social and international boundaries. Containing rare photos and memorabilia from Parton's archives, this book is a show-stopping must-have for every Dolly Parton fan. • Learn the history behind classic Parton songs like "Jolene," "9 to 5," "I Will Always Love You," and more. • The perfect gift for Dolly Parton fans (everyone loves Dolly!) as well as lovers of music history and country Add it to the shelf with books like Coat of Many Colors by Dolly Parton, The Beatles Anthology by The Beatles, and Born to Run by Bruce Springsteen.

On any weekend in Texas, Czech polka music enlivens dance halls and drinking establishments as well as outdoor church picnics and festivals. The songs heard at these venues are the living music of an ethnic community created by immigrants who started arriving in Central Texas in the mid-nineteenth century from what is now the Czech Republic. Today, the members of this community speak English but their songs are still sung in Czech. Czech Songs in Texas includes sixty-one songs, mostly polkas and waltzes. The songs themselves are beloved heirlooms ranging from ceremonial music with origins in Moravian wedding traditions to exuberant polkas celebrating the pleasures of life. For each song, the book provides music notation and Czech lyrics with English translation. An essay explores the song 's European roots,

its American evolution, and the meaning of its lyrics and lists notable performances and recordings. In addition to the songs and essays, Frances Barton provides a chapter on the role of music in the Texas Czech ethnic community, and John K. Novak surveys Czech folk and popular music in its European home. The book both documents a specific musical inheritance and serves as a handbook for learning about a culture through its songs. As folklorist and polka historian James P. Leary writes in his foreword, "Barton and Novak take us on a poetic, historical, and ethnographic excursion deep into a community's expressive heartland. Their Czech Songs in Texas just might be the finest extant annotated anthology of any American immigrant/ethnic group's regional song tradition."

URL: <https://www.areditions.com/rr/rrotm/otm009.html> This publication is the first-ever facsimile edition of a "binder's volume," a personal collection of sheet music, in this case that of a nineteenth-century young woman, Emily Esperanza McKissick of Albany, New York, who must have actively used her volume with her friends and family and who became a long-lived music teacher. Essays by leading American-music specialists illuminate the general themes of this unique volume and also provide detailed information (with copious reference to period source materials) about the McKissick family, musical life in mid-century Albany, the publication history of the forty-six songs, and an analysis of the penciled annotations made by Emily on the music itself. The complete binder's volume of Emily's favorite songs—some common, some rare—is presented, cover to cover, as a photographic facsimile.

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.
