Find everything you need to revise for the GCSE Science 9-1 new specification. The GCSE Science revision materials are for AQA, OCR and Edexcel. New Book your GCSE Equivalency & Functional Skills Exams More Info. For Tutors. Member Area. Become a Tutor. ... GCSE Physics Edexcel Past Papers.

Provides comprehensive revision notes for students studying the Edexcel additional Science specification.

This series has been written to support the new suite of GCSE Science specifications from Edexcel and prepares students for GCSE Core Science, GCSE Additional Science or GCSE Physics, Chemistry and Biology. The teacher's books contain information about underlying KS3 units, common misconceptions, answers to questions and advice on other resources to support the topic.

Part of Collins' Edexcel GCSE Sciences series, this student textbook has been written in consultation with Edexcel. The student textbook offers highly stimulating material, packed with real-world science and fully differentiated to engage and cater for all students.

This workbook offers accessible practice to help manage GCSE Additional Science revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is given to help build confidence. Tips and techniques provide support throughout the revision process.

This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process.

Provides comprehensive notes for students studying the Edexcel Science (single award) specification.

GCSE Physics Edexcel Revision Guide (with online edition)

This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process.

Exam Board: Edexcel Level: IGCSE Subject: Science First Teaching: September 2017 First Exam: June 2019 Build students' knowledge with in-depth yet accessible scientific content. - Test understanding with study questions throughout the book - Prepare students for the exam with sample answers and expert comments plus exam-style questions for every section - Build practical skills with coverage of all required practicals plus further suggested experiments - Develop mathematical skills with helpful tips throughout - Challenge higher ability students with extension 'extend and challenge' activities - Answers to all activities freely available online

This book aims to cover all the GCSE Physics material needed to meet the specifications of the examining boards Edexcel, AQA, WJEC and OCR (both 21st Century Science and Gateway) both for single and double awards. The content also covers the additional topics necessary for the Physics GCSE single award. It is the third book in the series following 'Biology at a Glance' and 'Chemistry at a Glance' and it encourages learners to use a mind mapping approach to revision. Just like the other books in the series, each page contains clear annotated illustrations that will help the reader to assimilate the facts quickly and commit them to memory. The book covers force and energy, energy and its transfer (including waves, electrical and thermal energy), electromagnetism and radioactivity. It goes on to describe a wide range of the practical applications of physics and concludes with material on our place in the universe. To comply with the latest GCSE specifications, 'How Science Works' permeates all aspects of the book which also provides questions on all the topics covered, to reinforce skills and understanding.
