Circle examples of this tense. Q: why do you think this tense is used? Explain that the present continuous is used for actions happening now, but in sports commentaries we often use the present simple – it's for speed and it makes things feel immediate, like they are happening now.

Lesson idea: using sports commentaries in class | ELT Planning

In your commentary on *Great Expectations*, you would want to make sure that you emphasize your summary again: this is a good example of class divisions and how ambition is not always the best quality. You might also choose to compare it to another book from the same period to illustrate why the work by Dickens is significant.

In chess, sacrificing material is the most dramatic way to try to seize the advantage. Most sacrifices have a forcing aim in mind, but most profound of all are positional sacrifices where the end is impossible to foresee and thus fine judgment, understanding and intuition are required. Such sacrifices are usually a mystery to average players, but acclaimed author and grandmaster Mihai Suba explains the secrets of this technique in entertaining fashion.

Death In Summer - a beautiful and haunting novel by acclaimed writer William Trevor 'Possibly the most perfect of Trevor's novels . . . Astonishing' Los Angeles Times Book Review There were three deaths that summer. The first was Letitia's, sudden and quite unexpected, leaving her husband, Thaddeus, haunted by the details of her last afternoon. The next death came some weeks later, after Thaddeus's mother-in-law helped him to interview for a nanny to bring up their baby. None of the applicants were suitable - least of all the last one, with her small, sharp features, her shabby clothes that reeked of cigarettes, her badly typed references - so Letitia's mother moved in herself. But then, just as the household was beginning to settle down,

the last of the nannies surprisingly returned, her unwelcome arrival heralding the third of the summer tragedies. 'William Trevor is an extraordinarily mellifluous writer, seemingly incapable of composing an ungraceful sentence . . . His skill is very real, and equals his great compassion' New York Times Book Review Readers of *The Story of Lucy Gault* and *Love and Summer* will adore *Death In Summer*. It will also be cherished by readers of Colm Toibin and William Boyd. William Trevor was born in Mitchelstown, County Cork. He has written eighteen novels and novellas, and hundreds of short stories, for which he has won a number of prizes including the Hawthornden Prize, the Yorkshire Post Book of the Year Award, the Whitbread Book of the Year Award and the David Cohen Literature Prize in recognition of a lifetime's literary achievement. In 2002 he was knighted for his services to literature. His books in Penguin are: *After Rain*; *A Bit on the Side*; *Bodily Secrets*; *Cheating at Canasta*; *The Children of Dynmouth*; *The Collected Stories (Volumes One and Two)*; *Death in Summer*; *Felicia's Journey*; *Fools of Fortune*; *The Hill Bachelors*; *Love and Summer*; *The Mark-2 Wife*; *Selected Stories*; *The Story of Lucy Gault and Two Lives*.

A dual milestone in City Lights history, *When I Was a Poet* is number 60 of the famous Pocket Poets Series, as well as our first book of poems by legendary Beat author David Meltzer. The title piece is an ambitious late work by a master at the height of his powers, a spiritual assessment of the meaning of a lifetime spent writing poetry. Also included are portraits of key figures in the poet's life, including his parents, his late wife and musical partner Tina Meltzer, and Semina artist Wallace Berman, as well as "California Dreamin'," a reminiscence of Beat-era bohemian life. Meltzer's wide-ranging musical knowledge manifests itself in "A Slew of

Blues" as well as poems devoted to the likes of Art Pepper and Nusrat Ali Khan, while his esoteric interests are embodied in a series of mystical "amulets." The book's final section contains two more major works, the eight-part serial poem "Night Reals" and "Dogma," a modernist counterpoint to the autobiographical title piece. With its profound meditations on love, loss, aging and death, *When I Was a Poet* is a substantial contribution to American poetry by one of its greatest living practitioners. As Lawrence Ferlinghetti writes, Meltzer is "one of the greats of post-WWII San Francisco poets and musicians."

In her prize-winning fourth collection, *Mean Time*, Carol Ann Duffy dramatizes scenes from childhood, adolescence and adulthood, finding moments of grace or consolation in memory, love and language amid the complexities of life. These are powerful poems of loss, betrayal and desire.

Endorsed by WJEC Ensure that every student develops the reading, writing and oracy skills they need to fulfil their potential with this confidence-boosting, skills-focused Student's Book that contains a rich bank of stimulus texts and progressive activities designed specifically for the new WJEC specification in Wales. - Guides you and your students through the 2015 English language requirements, mapping the core content thematically to support teaching and learning - Enables students of all ability levels to build and boost their English language skills by working through a variety of developmental activities supported by extension tasks to

Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains *Something Fresh*, *Summer Lightning* and three short stories.
