This contemporary erotic romance anthology is a compilation of my popular Ecstasy Spa series. All of the stories contained in this anthology are a M/F pairing. This anthology includes: Quick Fix, Aromatherapy, Rub Down Quick Fix Dumped by her boyfriend and down on her luck, Annabelle accepts her best friend's gift and goes to the Ecstasy Spa for an afternoon of erotic escape. She expects the sex to be mechanical and the staff to be more brawn than brains. She couldn't be more mistaken. Instead of cold and clinical, Seth is everything she has ever wanted in a man. Smart and sexy, it's easy to see why he is the most requested staff member at the spa. Together they embark on a mind-blowing sexual journey of self-discovery that takes them both to heights neither

thought possible. As physical attraction turns into something deeper, Annabelle wonders if she should risk going against spa policy to see if the “quick fix” she ordered can be changed into something more permanent. Aromatherapy When Ian shows up at the Ecstasy Spa to take his new girlfriend out for her birthday, he learns that she has been selling more than massages to pay her rent. At first he's enraged, then he's intrigued. What does she do with those men and her little bottles of scented oils? Would she do the same for him? Could he convince her to do those things for him exclusively? Rub Down Jake longs to turn his friends-with-benefits relationship with Roxanne into something deeper. As coworkers at the Ecstasy Spa, he knows that it's against their contracts to be caught dating each other. Roxie seems content with keeping things the way they are, but he dreams of one day taking her hand and leaving the promiscuity and madness of the spa behind. Until then, he takes his frustrations out in his paintings, a secret hobby he has enjoyed since he was a kid. Then one day someone buys one of his oils and commissions him for some more. Suddenly the dream of walking away is a reality. Now if only he can convince the flirty and fun Roxie to leave everything she has ever known and run away with him...

The thought of a threesome sends Gianni's libido into overdrive. Sienna is wild in bed, but is she wild enough to handle them both? What will Sienna think when she learns that Gianni and Marco want to make this threesome last more than just one night? **Pressure Point** When Blake and Drew ask Elsie to have some fun with them at the Ecstasy Spa holiday party, she seizes the opportunity to forget about the pressures of her job and personal life. She has always had a crush on both men and knows that they are dating, so she expects nothing more than the one-night stand they offer her. Blake and Drew have other plans however. Together the men fulfill her every torrid dream, bringing her to heights she never thought possible. They want to make their fling more permanent, but doing so could cost them all their jobs. Should Elsie risk her livelihood for a chance to make her dreams come true.
