This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

‘ We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, “ I feel a bit lightheaded; maybe you should drive ... ” ’

Stylish reissue of a classic first published in the 1970s: Hunter S Thompson’s ether-fuelled, savage journey to the heart of the American Dream.

First published in Rolling Stone magazine in 1971, Fear and Loathing in Las Vegas is Hunter S. Thompson’s savagely comic account of what happened to this country in the 1960s. It is told through the writer’s account of an assignment he undertook with his attorney to visit Las Vegas and “check it out.” The book stands as the final word on the highs and lows of that decade, one of the defining works of our time, and a stylistic and journalistic tour de force. As Christopher Lehmann-Haupt wrote in The New York Times, it has “a kind of mad, corrosive prose poetry that picks up where Norman Mailer’s An American Dream left off and explores what Tom Wolfe left out.” This Modern Library edition features Ralph Steadman’s original drawings and three companion pieces selected by Dr. Thompson: “Jacket Copy for Fear and Loath- ing in Las Vegas,” “Strange Rumbblings in Aztlan,” and “The Kentucky Derby Is Deca- dent and Depraved.”

From the king of “ Gonzo ” journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson ’ s private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it “deliriously entertaining”; Rolling Stone called it “brilliant beyond description”; and The New York Times celebrated its “wicked humor and bracing political conviction.” Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book Fear and Loathing in Las Vegas; twisting political reporting to new heights for Rolling Stone; and making sense of it all in the landmark Fear and Loathing on the Campaign Trail ’72. To read Thompson’s dispatches from these years—addressed to the author’s friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

In proud partnership with the Hunter S. Thompson Estate, Top Shelf Productions is pleased to announce Fear and Loathing in Las Vegas, a delightfully bonkers graphic novel by Eisner-nominated artist Troy Little adapting Thompson’s seminal book of the same name. Join Thompson’s alter ego Raoul Duke on the mother of all Vegas benders, as he and his attorney Dr. Gonzo cover a motorcycle race, crash a drug-enforcement convention, and rack up obscenely large room-service bills, all while dosed to the gills on a truly spectacular assortment of mind-altering substances.

In proud partnership with the Hunter S. (Applause Books). Based on the novel by Hunter S. Thompson, this is the screenplay of the movie. Includes thoughts by both Tony Grisoni and Terry Gilliam. "Transferred to the screen by Gilliam with a fidelity to the author's imagery ... here it is in all its splendiferous funhouse terror; the closest sensory approximation of an acid trip ever achieved by a mainstream movie." The New York Times

In this wild battering ram of a novel, which was originally published to vast controversy in 1965, Norman Mailer creates a character who might be a fictional precursor of the philosopher-killer he would later profile in The Executioner ’ s Song. As Stephen Rojack, a decorated war hero and former congressman who murders his wife in a fashionable New York City high-rise, runs amok through the city in which he was once a privileged citizen, Mailer peels away the layers of our social norms to reveal a world of pure appetite and relentless cruelty. One part Nietzsche, one part de Sade, and one part Charlie Parker, An American Dream grabs the reader by the throat and refuses to let go. Praise for An American Dream “ Perhaps the only serious New York novel since The Great Gatsby. ” —Joan Didion, National Review “ A devil ’ s encyclopedia of our secret visions and desires . . . the expression of a devastatingly alive and original creative mind. ” —Life “ A work of fierce concentration . . . perfectly, and often brilliantly, realistic [with] a pattern of remarkable imaginative coherence and intensity. ” —Harper ’ s “ At once violent, educated, and cool. . . This is our history as Hawthorne might have written it. ” —Commentary Praise for Norman Mailer “ [Norman Mailer] loomed over American letters longer and larger than any other writer of his generation. ” —The New York Times “ A writer of the greatest and most reckless talent. ” —The New Yorker “ Mailer is indispensable, an American treasure. ” —The Washington Post “ A devastatingly alive and original creative mind. ” —Life “ Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. ” —The New York Review of Books “ The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book. ” —Chicago Tribune “ Mailer is a master of his craft. His language carries you through the story like a leaf on a stream. ” —The Cincinnati Post

An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson’s early career and the magazine’s fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the Bush-versus-Kerry presidential rivalry. By the best-selling author of The Rum Diary. 100,000 first printing.
