A billionaire. His assistant. And a game that could cost both their hearts. Aidan Winters. Gorgeous, brilliant, ruthless, and filthy rich. He's known as the Man in Black, because New York's most sought-after bachelor is icy perfection in an all-black suit. As his executive assistant, I know his suit size, the security code to his penthouse, and the number to his private line. The only thing I don't know is what would make him fall to his knees for a woman. And then, one night, I discover Aidan's sexy secret. And he discovers mine. Now we play a very dirty game. By day, we're all business. But by night... he's not Aidan and I'm not me. No emotions. No lies. Except for one. If you think this is a story about a girl who hates her boss, think again.

One unexpected and wild weekend with Weston King, and I'm a new woman. He, on the other hand, is the same rich, notorious playboy he's always been. In other words, not the commitment type. So even though we had fun those two days and nights, I moved on quickly from our horizontal time together. Or I thought I did until he offered me a job a month later at his firm in NYC. Can you blame a girl for thinking we might have a chance together? What I didn't anticipate was Donovan Kincaid, Weston's best friend and business partner. He's dangerous and dominant and gets under my skin in ways that no other man has. The worst part? I like it. From NYT Bestselling author Laurelin Paige, discover a whole new world filled with sex, love, power, romance and dirty, filthy rich men.
