hunters in caves, today it has been elevated to an obsession, loathed and adored, craved and crammed in equal measure. Some people eat to live, others live to eat. In an age where we consume up to 285 pieces of content just via social media on a daily basis, information needs to be easily accessible, quick to the point and captivating. This is the age of the infographic, where statistics, facts and knowledge are made easily available and understandable. Taste will explore the complex, colourful and at times controversial world of food, through a collection of thought-provoking, stimulating and beautifully-crafted infographics. Accessible and authoritative, it will cover everything you need to know about food â?? from its
