FRINDLE is one of very few children's books I have ever read that can be equally intriguing to children as well as adults. The story, while a little on the absurd side at first glance, is remarkable, and as a whole, believable. Young Nick Allen decides to make a committment to himself and the world: he is going to make up a new word to replace the word "pen" and he is going to, if necessary ...

Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

In *No Talking*, Andrew Clements portrays a battle of wills between some spunky kids and a creative teacher with the perfect pitch for elementary school life that made *Frindle* an instant classic. It's boys vs. girls when the noisiest, most talkative, and most competitive fifth graders in history challenge one another to see who can go longer without talking. Teachers and school administrators are in an uproar, until an innovative teacher sees how the kids' experiment can provide a terrific and unique lesson in communication.

declare war. The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

Nora Rose Rowley is a genius, but don't tell anyone. Nora's managed to make it to the fifth grade without anyone figuring out that

File Type PDF Frindle Full Book

she's not just an ordinary kid, and she wants to keep it that way. But then Nora gets fed up with the importance everyone attaches to test scores and grades, and she purposely brings home a terrible report card just to prove a point. Suddenly the attention she's successfully avoided all her life is focused on her, and her secret is out. And that's when things start to get really complicated....

NEW STUDENT GETS OLD TEACHER The bad news is that Cara Landry is the new kid at Denton Elementary School. The worse news is that her teacher, Mr. Larson, would rather read the paper and drink coffee than teach his students anything. So Cara decides to give Mr. Larson something else to read—her own newspaper, *The Landry News*. Before she knows it, the whole fifth-grade class is in on the project. But then the principal finds a copy

of The Landry News, with unexpected results. Tomorrow's headline: Will Cara's newspaper cost Mr. Larson his job?

Ordinarily, no one would have imagined that Jack Rankin would vandalize a desk. But this was not an ordinary school year for Jack.... When Jack Rankin learns that he is going to spend the fifth grade in the old high school -- the building where his father works as a janitor -- he dreads the start of school. Jack manages to get through the first month without the kids catching on. Then comes the disastrous day when one of his classmates

loses his lunch all over the floor. John the janitor is called in to clean up, and he does the unthinkable -- he turns to Jack with a big smile and says, "Hi, son." Jack performs an act of revenge and gets himself into a sticky situation. His punishment is to assist the janitor after school for three weeks. The work is tedious, not to mention humiliating. But there is one perk, janitors have access to keys, keys to secret places....
