Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Putting two and two together takes practice and concentration! Help your child develop observation and reasoning abilities. This 64-page Thinking Skills workbook helps preschoolers practice organizing information, classifying, sequencing, completing picture analogies, and solving logic puzzles. A range of activities are designed to sharpen focus and attention to detail. "Circle 5 things that are wrong with this picture." "Draw what comes next." "Put an X by the picture that shows why this happened." Full-color illustrations enhance every page.

Unlock is a four-level academic skills course that combines thought-provoking video from Discovery Education(TM) with carefully scaffolded exercises and a fresh approach to critical thinking skills. Unlock Listening and Speaking Skills Level 1 provides 60-90 hours of classroom material. Access to the Online Workbook is provided via a code packaged with the Student's Book. Critical Thinking sections give students frameworks to formulate their own opinions and express themselves effectively in the end-of-unit academic tasks. Unique research into common learner errors (using the Cambridge English Corpus) focuses the language used in Unlock on those areas learners find most challenging. Videos from Discovery Education(TM) (accessible via the Cambridge Learning Management System and supplied on the Teacher's Book DVD) provide new angles on a range of academic subjects.
