Eye on Editing 1 : Developing Writing Skills Through Grammar by Cain, Joyce S. and a great selection of related books, art and collectibles available now at AbeBooks.com.

This student workbook presents techniques for and exercises in editing written English--focusing specifically on the grammatical structures with which students most frequently have difficulty--all to develop familiarity with the editing stage in the writing process, grammar skills, and comprehension.

Grammar for Writing is a three-level series that provides students with the essential grammar applications they need to become proficient writers. Based on the series Eye on Editing, Grammar for Writing updates the existing two levels and adds a third level for expanded content coverage. The series features authentic writing excerpts and practical tools to facilitate comprehension and application for students enrolled in writing or combined-skills courses.

Features: Clear, concise grammar explanations and easy-to-read charts help summarize key learning objectives. Diagnostic pretests and self-check exercises assess students' understanding of the editing points. Exercises drawn from student writing focus on the most frequently occurring grammar errors. Editing guidelines help students identify and correct common grammatical mistakes. Authentic writings model application of grammar points. Corpus-informed approach to vocabulary gives the series an academic feel.

Teachers will use this book as a quick but intensive way to brush up on their grammar skills and a guide to hands-on ways to teach grammar concepts. Brushing Up on Grammar: An Acts of Teaching Approach is grounded in a belief that grammar should be taught within the context of writing and reading. Of course, teachers need to know grammar to be able to teach it, something that has become harder as topics like sentence diagramming and parts of speech have disappeared from curriculums in recent years. This book provides the solid grammar foundation so necessary for teachers in the field of English/language arts. Brushing Up on Grammar illuminates the five meanings of grammar; identifies six key grammar characteristics; and covers all of the categories and labels, rules and history, research, and etymologies relative to the subject. The examples and connections here are designed first and foremost as verbal clay. With them, educators can help students mold, probe, shape, reshape, and above all, enjoy their acts of language. Includes sample lesson plans and strategies for teaching each content piece Presents eight cartoons and six drawings Offers student samples and test applications

Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today Dubliners survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The characters portrayed come from various backgrounds and different times. All had trials and troubles to combat but each were victorious over them. It was God working in His mysterious and powerful ways to make them great examples and blessings to others. Exactly how this happened makes fascinating and soul-wrenching reading. These true stories offer a wonderful glimpse into the personal and intimate details of lives that have made a huge impact on the world. Men and women, although imperfect, learned to navigate life despite hardships. I loved reading how these individuals learned to hear the voice of God! Middle graders and up will be inspired as they come along side these sojourners and get a glimpse into their spiritual journeys. —Diane Dow Suire, Educator, Writer, Editor This was really a good book! I totally enjoyed reading it. “Seven True Stories to Inspire” is an excellent witness of God’s perfect plan. —Ansonia McIntire, Student, Age 15 These inspiring stories remind me that happiness can always be found, even in dark times. You just have to remember to turn on the light. —Larry McJunkin, Author In “Seven True Stories to Inspire” Joyce Wold does an amazing job of taking historical facts and weaving a story for young minds to be inspired by faith. I recommend her book for young readers to understand how faith is molded out of fortitude and “true grit” from true life stories. —Dr. Charlie Barnard, Pastor, First Baptist Church of Tellico Village, TN

The best-selling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible exercises, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated Twelfth Edition reflects the latest updates to English usage and grammar and features a two-color design and lay-flat binding for easy photocopying. Clear and concise, with easy-to-follow explanations, offering “just the facts” on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Writers rule! You rule when you have control over your writing. To gain control is to develop skill in ways to craft your writing to clarify your meaning. One way to develop that skill is to use Dr. JAC's Guide. This book is not simply a handy helpmeet to get you started on a writing journey—it is a manageable manual for you to use to hone, polish, and deepen what you have already written. Carroll discusses voice and coherence, presenting her "chains" as glue: vocabulary chains, sustained thought chains, metaphoric chains. You also will find all kinds of workable strategies: depth charging, thought bubbles, framing, tampering with time. When did you last explore exemplum in relation to your writing? Have you worked up alternate leads? Sure you try for imagery, but have you considered euphony and cacophony? Dr. JAC's Guide is just that—a guide. It leads and ushers while it helps you hold the reins of your writing. It also advises, counsels, instructs, and recommends. Further, it points out, directs, signals, and proposes. It is both exemplar by offering models and facilitator by offering tips. It is concise but not confusing, thoughtful but not ponderous, practical but not pedestrian. When you sit with your writing; it will sit beside you.

Anxious about apostrophes? In a pickle over your pronouns and prepositions? Fear not—Mr. Gwynne is here with his wonderfully concise and highly enjoyable book of grammar. Within these pages, adults and children alike will find all they need to rediscover this lost science and sharpen up their skills. Mr. Gwynne believes that happiness depends at least partly on good grammar—and Mr. Gwynne is never wrong.
