Gray Moon Rising: This final book of the "Six Moon Summer" series was a fairly interesting read. It was just as fast-paced as the last three books and revolved mainly around the werewolves getting to Gray Mountain and the Union; a group of werewolf-hunters; planning to slaughter the rest of the wolves into extinction.

When Rylie went to summer camp, she didn't expect to get bitten by a werewolf and turn into a monster. She also didn't expect to fall in love—especially not with a werewolf hunter. Between ravenous werewolf packs, a bloodthirsty family of hunters, and Rylie's battle with her inner wolf, all the odds are stacked against Rylie's love for Seth. But Seth will do anything to be with her...even if it means turning against his family and sacrificing everything. This is a collection of the first four books in the Seasons of the Moon series. Rylie Gresham hates everything about summer camp: the food, the fresh air, the dumb activities, and the other girls in her cabin. But the worst part is probably being bitten by a werewolf. Being a teenager is hard enough, but now she's craving raw flesh and struggles with uncontrollable anger. If she doesn't figure out a way to stop the transformation, then at the end of summer, her life is worse than over. She'll be a monster. ALL HALLOWS' MOON The good girl has become the big bad wolf... Rylie survived a werewolf bite. She's moved to her aunt's ranch to enroll in a new school and continue her life--except now she transforms into a monster every moon and struggles to control her murderous urges. Without many werewolves left, it's hard to stay in hiding. A family of

Seth soon realizes the werewolf is Rylie, the one monster he failed to kill. Worse yet, he's still in love with her. Torn between family and love, Rylie struggles to reconcile her feelings and control the wolf within while Seth fights to do what's right. But what is right--obeying desire or duty? **LONG NIGHT MOONS**Something is killing innocent people around Rylie Gresham's town. The police think it's a wild animal, but she has other suspicions. There are new kids at school, and they have a lot in common with her: gold eyes, super strength, and a habit of turning furry. It seems Rylie's not the only werewolf around anymore. It's up to Rylie and her werewolf-hunting boyfriend, Seth, to stop

Rylie has no choice but to stand her ground, protect her home, and stop the murders before anyone else gets hurt.
