~~Green Activities & Classroom Resources Supplement outdated science textbooks with our environmentally focused resources. These activities and guides will encourage your students to live a "greener" lifestyle, at home and at school.~~

Consistent with the philosophy of the Common Core State Standards and Standards for Mathematical Practice, the Big Ideas Math Student Edition provides students with diverse opportunities to develop problem-solving and communication skills through deductive reasoning and exploration. Students gain a deeper understanding of math concepts by narrowing their focus to fewer topics at each grade level. Students master content through inductive reasoning opportunities, engaging activities that provide deeper understanding, concise, stepped-out examples, rich, thought-provoking exercises, and a continual building on what has previously been taught.

Spectrum Test Prep Grade 6 includes strategy-based activities for language arts and math, test tips to help answer questions, and critical thinking and reasoning. The Spectrum Test Prep series for grades 1 to 8 was developed by experts in education and was created to help students improve and strengthen their test-taking skills. The activities in each book not only feature essential practice in reading, math, and language arts test areas, but also prepare students to take standardized tests. Students learn how to follow directions, understand different test formats, use effective strategies to avoid common mistakes, and budget their time wisely. Step-by-step solutions in the answer key are included. These comprehensive workbooks are an excellent resource for developing skills for assessment success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and success.

Test with success using Spectrum Reading for grade 6! These curriculum-rich lessons bring reading passages to life, focusing on Latin and Greek roots, figurative language, fact and opinion, and predicting outcomes. The book provides activities that reinforce phonemic awareness, phonics, word recognition, decoding, and reading comprehension. It features easy-to-understand directions and includes a complete answer key. Today, more than ever, students need to be equipped with the skills required for school achievement and success on proficiency tests. This 176-page book aligns with state and national standards, is perfect for use at home or in school, and is favored by parents, homeschoolers, and teachers.

Green grass is wide and fresh and clean for a family to play in, and brown dirt is perfect for digging a garden. But when gray buildings start to rise up and a whole city builds, can there be any room for green space? The neighborhood children think so, and they inspire the community to join together and build a garden for everyone to share in the middle of the city.

Strong reading skills are the basis of school success, and Spectrum(R) Reading for grade 6 will help children triumph over language arts and beyond. This standards-based workbook uses engaging text to support understanding key ideas, details, story structure, and knowledge integration. -- Spectrum(R) Reading will help your child improve their reading habits and strengthen their ability to understand and analyze text. This best-selling series is a favorite of parents and teachers because it is carefully designed to be both effective and engagingÑthe perfect building blocks for a lifetime of learning.

Fountas & Pinnell Leveled Literacy Intervention (LLI) is a powerful early intervention system that can change the path of a student's journey to literacy. The LLI Orange System is specifically targeted at Foundation/Kindergaten students. Please note the program guide is not suitable for educators who have not yet purchased an LLI Orange System. This component is only available separately so that schools with the LLI Orange System can purchase additional copies of the program guide if they require. Find out more about the Fountas & Pinnell LLI System at www.pearson.com.au/primary/LLI
