their tasks and techniques from the Revolutionary and Civil Wars through both World Wars, to the Korean War and Vietnam-the genesis of modern sniping-to the current conflicts in the Middle East. Also, readers will see how sniping has evolved on the civilian side in law enforcement. Readers will learn about the

tools of the trade, but most importantly, they will hear from the experts themselves: military snipers, as well as civilian police and SWAT snipers. Capturing the suspense and action of the hunt, the words of these men draw readers into the close-knit, little-known world of men who need only one bullet to get the
