President of the United States (1945–53), who led his country through the final stages of World War II and through the early years of the Cold War, vigorously opposing Soviet expansionism in Europe and sending U.S. forces to turn back a communist invasion of South Korea.

Harry S. Truman | U.S. President & History | Britannica
After his party 's blistering defeat in the 1946 election, Harry S. Truman, 33rd President of the United States, decided it was time to stop trying to please everyone. " I think the proper thing to do . . . is to do what I think is right and let them all go to hell. " The result was like being given a get-out-of-jail pass.

Harry S. Truman - Quotes, Facts & WW2 - Biography

Harry S. Truman: Impact and Legacy. By Alonzo L. Hamby. When Harry S. Truman left the presidency in January 1953, he was one of the most unpopular politicians in the United States. The Korean War, accusations of corruption in his administration, and the anticommunist red-baiting of McCarthy and his allies had all contributed to the President's poor standing with the public.

Harry S. Truman: Impact and Legacy | Miller Center

Harry S. Truman (May 8, 1884 – December 26, 1972) was the 33rd president of the United States from 1945 to 1953, succeeding upon the death of Franklin D. Roosevelt after serving as the 34th vice president. He implemented the Marshall Plan to rebuild the economy of Western Europe, and established the Truman Doctrine and NATO.

Truman was born on May 8, 1884 in Lamar, Missouri. He grew up on farms and in 1890 his family settled in Independence, Missouri. He had bad eyesight from a youth but he loved to read having been taught by his mother. He especially liked history and government.

Profile and Key Facts About President Harry Truman

The presidency of Harry S. Truman began on April 12, 1945, when Harry S. Truman became President of the United States upon the death of Franklin D. Roosevelt, and ended on January 20, 1953. He had been Vice President of the United States for only 82 days when he succeeded to the presidency.

Traces the thirty-third president's unlikely rise to power and his role in bringing America into the nuclear age, in a portrait that covers such topics as his perspectives on civil rights and labor, his clashes with Douglas MacArthur over the conduct of the Korean War, and his dramatic reelection in 1948. 35,000 first printing.

The plainspoken man from Missouri who never expected to be president yet rose to become one of the greatest leaders of the twentieth century In April 1945, after the death of Franklin Delano Roosevelt, the presidency fell to a former haberdasher and clubhouse politician from Independence, Missouri. Many believed he would be overmatched by the job, but Harry S. Truman would surprise them all. Few chief executives have had so lasting an impact. Truman ushered America into the nuclear age, established the alliances and principles that would define the cold war and the national

security state, started the nation on the road to civil rights, and won the most dramatic election of the twentieth century—his 1948 "whistlestop campaign" against Thomas E. Dewey. Robert Dallek, the bestselling biographer of John F. Kennedy and Lyndon B. Johnson, shows how this unassuming yet supremely confident man rose to the occasion. Truman clashed with Southerners over civil rights, with organized labor over the right to strike, and with General Douglas MacArthur over the conduct of the Korean War. He personified Thomas Jefferson's observation that the presidency is a "splendid misery," but it was during his tenure that the United States truly came of age.

Traces the thirty-third president's unlikely rise to power and his role in bringing America into the nuclear age, covering his perspectives on civil rights, his clashes with Douglas MacArthur over the conduct of the Korean War, and his reelection in 1948.

With contributions from the most accomplished scholars in the field, this fascinating companion to one of America's pivotal presidents assesses Harry S. Truman as a historical figure, politician, president and strategist. Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency Provides new approaches to the historiography of Truman and his policies Features a variety of historiographic methodologies

“ Never has a President of the United States, or any head of state for that matter, been so totally revealed, so completely documented ” (Robert A. Arthur). Plain Speaking is the bestselling book based on conversations between Merle Miller and the thirty-third President of the United States, Harry S. Truman. From these interviews, as well as others

who knew him over the years, Miller transcribes Truman's feisty takes on everything from his personal life, military service, and political career to the challenges he faced in taking the office during the final days of World War II and the beginning of the Cold War. Using a series of taped discussions from 1962 that never aired on television, *Plain Speaking* takes an opportunity to deliver exactly how Mr. Truman felt about the presidency, and his thoughts in his later years on his accomplishments and the legacy he left behind. "The values of *Plain Speaking*, on the whole, are those of the highest form of political communication: the bull session. As with all good bull sessions, what is said here ranges widely in quality and seriousness, as one should expect when dealing with a complex man." —The New York Times "Plain Speaking has a nostalgic, downhome quality of good friends gossiping over the back fence, or saying their piece of a twilight eve rocking on the porch—and if those fellas back in Washington have their secret machines running, well, they won't like what they overhear. Not one little bit." —Kirkus Reviews

Depicts the life of America's 33rd president, from his impoverished start with his farming family, through enlisting in the army in 1917 and numerous failed business ventures to beginning a political career in Missouri that ultimately led to the presidency. 40,000 first printing.

A leading researcher into the Truman archives offers a balanced, subtle portrait of the president's complex personality and long and varied career, revealing an insecure but ambitious man determined to surmount his own weaknesses and stand behind his decisions. UP.

A hypnotically fast-paced, masterful reporting of Harry

Truman's first 120 days as president, when he took on Germany, Japan, Stalin, and a secret weapon of unimaginable power—marking the most dramatic rise to greatness in American history. Chosen as FDR's fourth-term vice president for his well-praised work ethic, good judgment, and lack of enemies, Harry S. Truman was the prototypical ordinary man. That is, until he was shockingly thrust in over his head after FDR's sudden death. The first four months of Truman's administration saw the founding of the United Nations, the fall of Berlin, victory at Okinawa, firebombings in Tokyo, the first atomic explosion, the Nazi surrender, the liberation of concentration camps, the mass starvation in Europe, the Potsdam Conference, the controversial decision to bomb Hiroshima and Nagasaki, the surrender of imperial Japan, and finally, the end of World War II and the rise of the Cold War. No other president had ever faced so much in such a short period of time. The Accidental President escorts readers into the situation room with Truman during a tumultuous, history-making 120 days, when the stakes were high and the challenges even higher. "[A] well-judged and hugely readable book . . . few are as entertaining."

—Dominic Sandbrook, Sunday Times

No portion of the political career of Harry S. Truman was more fraught with drama than his early relationship with Thomas J. Pendergast. The two men met in 1927. Truman, who was then presiding judge of Jackson County, gave a \$400,000 road contract to a construction company in South Dakota, & Pendergast, the Boss of Kansas City, wasn't very happy about it: he had someone else in mind for the contract. Although their association began in disagreement, their common interest in politics was enough to establish a long-lasting relationship. In 1934, after turning down fourteen other contenders, the influential Pendergast

Bookmark File PDF Harry S Truman The American Presidents Series The 33rd

sponsored Truman for the Senate. Although Truman had often cooperated with Pendergast on patronage issues, he had never involved himself in the illegalities that would eventually destroy the Pendergast machine. In fact, Truman had no idea how deeply the Boss had engaged in corruption in his personal affairs, as well as in managing the government of Kansas City. When the Boss was sent to Leavenworth for tax evasion in 1939, Truman was astonished. Despite Truman's honesty, his relationship with Pendergast almost caused his defeat during the Missouri senatorial primary in August 1940. The main challenger for Truman's Senate seat was the ambitious governor of Missouri, Lloyd C. Stark. In an effort to obtain the Senate seat, Stark set out to destroy Truman's sponsor, the Pendergast machine, & also denounced Truman as "the Pendergast senator." Behind the governor was President Franklin D. Roosevelt, whom Stark successfully turned against Truman. Roosevelt needed Missouri's electoral votes to win his third term, & he believed that Stark could give them to him. Because of the stigma of Truman's Pendergast connection, the 1940 Democratic primary was the tightest election in his entire political career. He won by fewer than eight thousand votes. In *Truman & Pendergast*, Robert H. Ferrell masterfully presents Truman's struggle to maintain his Senate seat without the aid of Pendergast & despite Stark's enlistment of Roosevelt against him. Ferrell shows that Truman won the election in his typical fashion—going directly to the people & speaking honestly.

The Pulitzer Prize-winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America's beloved and distinguished historian. The life of Harry S. Truman is one of

Bookmark File PDF Harry S Truman The American Presidents Series The 33rd

the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman ' s story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman ' s own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “ man from Missouri ” who was perhaps the most courageous president in our history.
