How To Get Away With Murder: Evil Masterminds  
Who Evaded Capture "There appear to be two  
types of situations in which one can be said  
to literally get away with murder. The first,  
and most common, is that the killer remained  
unknown until his criminal activity stopped.  
The second is that the killer was apprehended

of evidence, loopholes in the justice system,  
or some other type of underhanded tactic. The  
cases which follow are all instances in which  
a perpetrator of a horrific crime evaded
