strength, through your actions, in such a purposeful way that will make any potential employer find you appealing.

After completing the medical school application comes the last, and often most challenging aspect of the school selection process; the interview. Notoriously hard to prepare for, it's difficult to know what to read, what questions might be asked and how to answer them. How to Succeed In Your Medical School Interview de-mystifies the interview process. It provides clear guidelines and a unique framework; giving you the relevant points to consider while crucially leaving conclusions open to express your own opinions and personality. It provides a systematic and methodical process which enables you to mine information from examiners, whilst demonstrating your academic ability. With a huge bank of questions covering all aspects of the interview spectrum, including a specific section of Oxbridge questions, you will learn how to prepare, how to present yourself and most importantly, what to say.
