Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

Spanish 1 features reduced pages of Spanish 1 Student Text and marginal teacher's notes. The margins contain teaching objectives, pronunciation and grammar notes, and suggested Spanish resources. -- from publisher.

Naylor returns to the fictional neighborhood, this time focusing on the men behind the women who inhabited that desolate block of row houses, telling their tragic, sad, funny, and heroic stories.

A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream Wheels*. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul ' s victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. " Shocking and alien, valuable and true... A master of empathy. " —Jane Smiley, Pulitzer Prize – winning author of *Golden Age* " A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of *Wagame* ' s prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward. " —Donna Bailey Nurse, *National Post* (Toronto)

The Common Core Language Arts Workouts: Reading, Writing, Speaking, Listening, and Language Skills Practice series for grades six through eight is designed to help teachers and parents meet the challenges set forth by the Common Core State Standards. Filled with skills practice, critical thinking tasks, and creative exercises, some are practice exercises, while others pose creative or analytical challenges. These workouts make great warm-up or assessment exercises. They can be used to set the stage and teach the content covered by the standards or to assess what students have learned after the content has been taught. Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

In this intelligent, accessible work, acclaimed poet and meditation teacher Stephen Levine introduces readers to meditation. Filled with practical guidance and advice—as well as extensive personal recollections—*A Gradual Awakening* explains the value of meditation as a means of attaining awareness, and provides readers with extensive advice on how establish a practice. Drawing on his own personal experiences with and insights into vipassana meditation, Levine has crafted an inspiring book for anyone interested in deep personal growth.

A lively examination of the spirit and practices that have made the indie movement into a powerful cultural phenomenon You know the look: skinny jeans, Chuck Taylors, perfectly mussed bed-head hair; You know the music: Modest Mouse, the Shins, Pavement. You know the ethos: DIY with a big helping of irony. But what does it really mean to be "indie"? As popular television shows adopt indie soundtracks and the signature style bleeds into mainstream fashion, the quirky individuality of the movement seems to be losing ground. In *Slanted and Enchanted*, Kaya Oakes demonstrates how this phase is part of the natural cycle of a culture that reinvents itself continuously to preserve its core ideals of experimentation, freedom, and collaboration. Through interviews and profiles of the artists who have spearheaded the cause over the years—including Mike Watt, David Berman, Kathleen Hanna, and Dan Clowes—Oakes examines the collective creativity and cross-genre experimentation that are the hallmarks of this popular lifestyle trend. Her visits to music festivals, craft fairs, and smaller collectives around the country round out the story, providing a compelling portayal of indie life on the ground. Culminating in the current indie milieu of music, crafting, style, art, comics, and zines, Oakes reveals from whence indie came and where it will go next.

Best Practices in Engaging Online Learners Through Active and Experiential Learning Strategies is a practical guide for all instructors and instructional designers working in online or blended learning environments who want to provide a supportive, engaging, and interactive learner experience. This book explores the integration of active and experiential learning approaches and activities including gamification, social media integration, and project- and scenario-based learning, as they relate to the development of authentic skill-building, communication, problem-solving, and critical-thinking skills in learners. Readers will find guidelines for the development of participatory peer-learning, cooperative education, and service learning opportunities in the online classroom. In addition, the authors provide effective learning strategies, resources, and tools that align learner engagement with course outcomes.

An inclusive, digitally-enabled agricultural transformation could help achieve meaningful livelihood improvements for Africa ' s smallholder farmers and pastoralists. It could drive greater engagement in agriculture from women and youth and create employment opportunities along the value chain. At CTA we staked a claim on this power of digitalisation to more systematically transform agriculture early on. Digitalisation, focusing on not individual ICTs but the application of these technologies to entire value chains, is a theme that cuts across all of our work. In youth entrepreneurship, we are fostering a new breed of young ICT ' agripreneurs ' . In climate-smart agriculture multiple projects provide information that can help towards building resilience for smallholder farmers. And in women empowerment we are supporting digital platforms to drive greater inclusion for women entrepreneurs in agricultural value chains.
