This workbook is intended to provide entry level general industry workers information about their rights, employer responsibilities, and how to identify, abate, avoid and prevent job related hazards on a job site. This workbook covers a variety of general industry safety and health hazards which a worker may encounter at a work site. Training will emphasize hazard identification, avoidance, control and prevention. Please note that this workbook is only a study guide. It is not a requirement of OSHA, or the Department of Labor, and is not a substitute for OSHA training. Please visit [osha.gov](http://osha.gov) to find an OSHA Authorized Trainer.

Fire safety in buildings, Fire safety, Buildings, Fire risks, Safety measures, Legislation, Fire

New edition of a standard reference revised every four to six years since 1946 (the previous edition was 1997). Intended for both novices and seasoned safety professionals, as well as managers, educators, and professionals in the fields of risk management, loss control, human resources, and engineering, who must formulate safety program goals and objectives. After introductory material, coverage is in sections on loss control information and analysis; safety/ health/ environment program organization, and program implementation and maintenance. The appendices provide sources of help, a bibliography, and answers to review questions. Annotation copyrighted by Book News, Inc., Portland, OR

(Last updated on May 2018) This book contains handouts for the OSHA Outreach Training Program's 30-Hour General Industry course. It includes pamphlets that highlight the key points to be presented by the instructor, as well as the quizzes to be used as knowledge checks during class. This book is a compilation of reading materials relevant to each class in the course, including the ones provided by OSHA specifically for the Introduction to OSHA class plus other materials provided in the Publications section at [osha.gov](http://osha.gov). The quizzes were extracted from the PowerPoint presentations also provided by OSHA for this course.
