Joan, Countess of Kent, known to history as The Fair Maid of Kent, was the mother of King Richard II of England, her son by her third husband, Edward the Black Prince, son and heir apparent of King Edward III. Although the French chronicler Jean Froissart called her "the most beautiful woman in all the realm of England, and the most loving", the appellation "Fair Maid of Kent" does not appear to be contemporary. Joan inherited the titles 4th Countess of Kent and 5th Baroness Wake of Liddell afte

Joan of Kent - Wikipedia

Joan, 'Fair Maid of Kent'. (29 September 1328 - 7 August 1385) Joan Plantagenet, known to history as The Fair Maid of Kent was born on 29 September, 1328. She was the daughter of Edmund of Woodstock, 1st Earl of Kent and Margaret Wake, 3rd Baroness Wake of Liddell. The Death of Joan, Countess of Kent, Princess of Wales, King’s Mother. Epitaph of Edward of Woodstock, Prince of Wales 12 responses to “ Ten Fascinating Facts about the Fair Maid of Kent ”

Joan the Fair Maid of Kent

"Philip of Valois was marching towards Amiens with the war flag of France. The French king was preparing to fight. It was time for the King of England to settle matters with the Bavarian." It is 1341 and Joan of Kent, the fourteen-year-old cousin of the King of England, is poised on the brink of marriage with the Earl of Salisbury's son. While plans are made for the king's continuing war against France, the families gather to celebrate the wedding. But the bride is in tears. For unknown to everyone, Joan has a secret and it is one so scandalous, so unspeakably shocking, that discovery could destroy this glorious marriage and place the lives of those Joan loves in danger. From the glittering court of Edward III to the lonely border fortress of Wark, to the bleak marshlands before the walls of Calais, Joan must tread a careful path balanced between truth and deception, where love is an illusion and one false move could spell disaster. When tragedy strikes at the heart of the royal family Joan finds herself facing a foe more deadly than a violent husband. Imprisoned in her chamber and with her fate resting in the hands of the Pope's tribunal in Avignon, there is nothing she can do but pray. The Fair Maid of Kent is the story of an enduring love in a dangerous world where a man may not be all he seems and your most powerful enemy is the one you cannot see. Inspired by the writings of Philippa Gregory and Hilary Mantel, and based on the life of Joan, the first Princess of Wales (and Caroline's seventeen times great-grandmother), The Fair Maid of Kentwill appeal to fans of historical fiction.

The story of the beautiful wife of the Black Prince and mother of Richard II.

A new account of the life and turbulent times of Joan, the wife of the Black Prince and mother of Richard II.

Gordon R. Dickson has entertained readers for over two decades with his tales of Jim Eckert. Now the Dragon Knight must confront the three disas-ters that lie in wait for any visitor to the English Middle Ages: war, plague, and Plantagenets. The plague is caused by a covert invasion of shapechanging goblins who seek to take over the world. Meanwhile, Eckerts castle is invaded by Plantagenets: Edward III, his son Edward The Black Prince, and Joan, the Fair Maid of Kent. Against the background of a full-scale human-versus-goblin war, these worthies move in a swirl of intrigue and dynastic tension.

Joan, Fair Maid of Kent, lived in Fourteenth Century England and it was a brutal time in history. There were constant power struggles behind the throne. Very often King Edward III was not the most powerful person in England. During the fourteenth century the Black Plague attacked England with a vengeance. Approximately one-third of England's population died. During this time the people of England lived through one unimaginable horror after another. Whole families died. Dead bodies were often dumped into streets. There were funeral pyres everywhere and there was the constant smell of death. Royals were not exempt from this horror. Also during this time, England was embroiled in the One Hundred Years' War with France. Joan was caught in the middle of this. Joan's is a story of a strong and independent woman who followed her heart and had to struggle to do so. She was much more than just a pretty face. She was at one time possibly the most hated woman in England, and became the most admired and possibly the most powerful woman in England. She is primarily known for her secret marriage at the age of twelve, but less known for forming an army to save King Edward's claim to Aquitaine and negotiating a treaty between the Londoners and the very intimidating John of Gaunt. The Black Prince of England was her third husband. He was the first-born son of King Edward III and Queen Philippa of Hainault, the first black queen of England. Joan gave the Black Prince two sons, one son would be king, but it was the wrong son.

The girl who led an army. The peasant who crowned a king. The maid who became a legend.

A child born in the plague year of 1348, abandoned and raised within the oppressive walls of a convent, Alice Perrers refused to take the veil, convinced that a greater destiny awaited her. Ambitious and quick witted, she rose above her obscure beginnings to become the infamous mistress of Edward III. But always,

essentially, she was alone... Early in Alice's life, a chance meeting with royalty changes everything: Kindly Queen Philippa, deeply in love with her husband but gravely ill, chooses Alice as a lady-in-waiting. Under the queen's watchful eye, Alice dares to speak her mind. She demands to be taken seriously. She even flirts with the dynamic, much older king. But she is torn when her vibrant spirit captures his interest...and leads her to a betrayal she never intended. In Edward's private chambers, Alice discovers the pleasures and paradoxes of her position. She is the queen's confidante and the king's lover, yet she can rely only on herself. It is a divided role she was destined to play, and she vows to play it until the bitter end. Even as she is swept up in Edward's lavish and magnificent court, amassing wealth and influence for herself, becoming an enemy of his power-hungry son John of Gaunt, and a sparring partner to resourceful diplomat William de Windsor, she anticipates the day when the political winds will turn against her. For when her detractors voice their hatred, and accusations of treason swirl around her, threatening to destroy everything she has achieved, who will stand by Alice then? Includes a readers guide

A tale inspired by the life of the niece of Edward II finds beautiful young Joan of Kent reviled by a court that considers her father a traitor before she enters two questionable marriages and pursues a scandalous royal affair. By the author of *The King's Mistress*. Original. 20,000 first printing.

Hoping to redeem her family's disgraced name, Joan of Kent journeys to the intrigue-filled court of King Edward III, where, as part of her revenge on the royal family for their betrayal of her father, she targets Edward, Prince of Wales, but her vengeance is undermined by her growing feelings for the prince. Reader's Guide included. Original. 25,000 first printing.
