Judiciary 1. JUDICIARY Chapter 5 2. INTRODUCTION In a democracy like India the country is run by the rule of law. Law is a system of rules usually imposed through a govt or institution and is applied to govern a group of people. It shapes politics, economics and society in a numerous ways. All laws apply equally to all the citizens of the country and no one can be above the law. Any crime or ...

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

First published in 1897, The Invisible Man is one of the first science fiction stories. The disturbing tale centers on Griffin, a scientist who has discovered the means to make himself invisible. His initial, almost comedic, adventures are soon overshadowed by the bizarre streak of terror he unleashes upon the inhabitants of a small village. Notable for its sheer invention, suspense, and psychological nuance, The Invisible Man had been filmed many times and continues to enthrall science-fiction fans today as it did the reading public nearly 100 years ago.

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.

A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

Malcolm Gladwell's provocative new #1 bestseller -- now in paperback. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a pebble and a sling-and ever since, the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he? In DAVID AND GOLIATH, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, suffer from a disability, lose a parent, attend a mediocre school, or endure any number of other apparent setbacks. In the tradition of Gladwell's previous bestsellers-The Tipping Point, Blink, Outliers and What the Dog Saw-DAVID AND GOLIATH draws upon history, psychology and powerful story-telling to reshape the way we think of the world around us.

The first novel set in "the fictional Indian town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for indepence compete with his ardor for cricket and all other things British."

Leading scholars consider a variety of philosophical issues in law and social justice, from foundational concepts to specific legal problems.

The war in Kosovo was a turning point: NATO deployed its armed forces in war for the first time, and placed the controversial doctrine of 'humanitarian intervention' squarely in the world's eye. It was an armed intervention for the purpose of implementing Security Council resolutions-but without Security Council authorization.This report tries to answer a number of burning questions, such as why the international community was unable to act earlier and prevent the escalation of the conflict, as well as focusing on the capacity of the United Nations to act as global peacekeeper.The Commission recommends a new status for Kosovo, 'conditional independence', with the goal of lasting peace and security for Kosovo-and for the Balkan region in general. But many of the conslusions may be beneficially applied to conflicts the world-over.

Sets out clear recommendations, based on the best available evidence, for healthcare staff on how to work with people who misuse drugs (specifically opioids, stimulants and cannabis) to significantly improve their treatment and care.
