"Lions led by donkeys" is a phrase popularly used to describe the British infantry of the First World War and to blame the generals who led them. The contention is that the brave soldiers were sent to their deaths by incompetent and indifferent leaders. The phrase was the source of the title of one of the most scathing examinations of British First World War generals, *The Donkeys*—a study of Western Front offensives—by politician and writer of military histories Alan Clark. The book ...

The landmark exposé of incompetent leadership on the Western Front - why the British troops were lions led by donkeys On 26 September 1915, twelve British battalions – a strength of almost 10,000 men – were ordered to attack German positions in France. In the three-and-a-half hours of the battle, they sustained 8,246 casualties. The Germans

suffered no casualties at all. Why did the British Army fail so spectacularly? What can be said of the leadership of generals? And most importantly, could it have all been prevented? In *The Donkeys*, eminent military historian Alan Clark scrutinises the major battles of that fateful year and casts a steady and revealing light on those in High Command - French, Rawlinson, Watson and Haig among them - whose orders resulted in the virtual destruction of the old professional British Army. Clark paints a vivid and convincing picture of how brave soldiers, the lions, were essentially sent to their deaths by incompetent and indifferent officers – the donkeys. 'An eloquent and painful book... Clark leaves the impression that vanity and stupidity were the main ingredients of the massacres of 1915. He writes searingly and

This irreverent and provocative study exposes the scandalous state of contemporary armed forces as well as the politicians, top brass, and practices who keep these numerous flaws under wraps. Topics addressed include the terrible armaments provided to British soldiers; the huge financial costs incurred by financing useless weapons and systems; the extreme waste in funds throughout the modern military system.
