"Growing Up Laughing: My Story and the Story of Funny is a book that only Marlo Thomas could write -- a smart and gracious, witty and confident autobiographical journey. For as long as Marlo Thomas can remember, she's lived with laughter. Born to comedy royalty--TV and nightclub star Danny Thomas--she grew up among legendary funny men, carved much of her career in comedy and, to this day, surrounds herself with people who love and live to make others laugh. In this long-awaited memoir, Thomas takes us on a funny and heartwarming adventure, from her Beverly Hills childhood, to her groundbreaking creation of *That Girl* and *Free to Be . . . You and Me*, to her rise as one of America's most beloved actress-comediennes, to her marriage to talk-show king Phil Donahue. Her youth was star-studded--Milton Berle performed magic tricks (badly) at her backyard birthday parties. George Burns, Bob Hope, Sid Caesar, Bob Newhart and other great comics passed countless hours gathered around her family's dinner table. And behind it all was the rich laughter nurtured by a close and loving family. *Growing Up Laughing* is not just the story of an iconic entertainer, but also the story of comedy. In a voice that is curious, generous and often gleeful, Thomas not only opens the doors on the funny in her own life, but also explores the comic roots of today's most celebrated comedians, in personal interviews with: Alan Alda, Joy Behar, Stephen Colbert, Billy Crystal, Tina Fey, Whoopi Goldberg, Kathy Griffin, Jay Leno, George Lopez, Elaine May, Conan O'Brien, Don Rickles, Joan Rivers, Chris Rock, Jerry Seinfeld, Jon Stewart, Ben and Jerry Stiller, Lily Tomlin,

"With acerbic wit & a hilarious voice, Shane Burcaw's YA memoir describes the challenges he faces as a 20-year-old with muscular atrophy. From awkward handshakes to trying to finding a girlfriend and everything in between"--

This book is a true story of Susie Lavin's experiences and her views on seeing humor in an array of experiences throughout her lifetime. Even in very difficult times, she is able to find humor. She will make you smile, she will make you laugh, and hopefully remind you that even in the darkest of days, if you look hard enough, a light will shine through.

While other children were daydreaming about dances, first kisses, and college, Jodee Blanco was trying to figure out how to go from homeroom to study hall without being taunted or spit upon as she walked through the halls. This powerful, unforgettable memoir chronicles how one child was shunned—and even physically abused—by her classmates from elementary school through high school. It is an unflinching look at what it means to be the outcast, how even the most loving parents can get it all wrong, why schools are often unable to prevent disaster, and how bullying has been misunderstood and mishandled by the mental health community. You will be shocked, moved, and ultimately inspired by this harrowing tale of survival against insurmountable odds. This vivid story will open your eyes to the harsh realities and long-term consequences of bullying—and how all of us can make a difference in the lives of teens today.

series Michael McIntyre's Big Show and The Wheel. But the road to stardom was paved with near-disasters, as he hilariously recounts in his autobiography. Picking up where his first book, Life and Laughing, ends, Michael has had his first breakthrough, his 2006 appearance on The Royal Variety Performance. He was horribly in debt, with a young baby, living in a flat so tiny the kitchen was in the coat cupboard. And as well-received as his performance had been, the job offers weren't exactly rolling in. Would he ever make his dreams a reality? Michael's adventures will have you laughing out loud as he describes his rise, fall and rise again. He might be selling out arena tours but his wife Kitty and two sons keep his feet firmly on the ground. Honest and revealing, and full of his unique observational humour, A Funny Life is a book his millions of fans will love.

Rich in its stories, characters, and imaginative range, The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s. Like all his work, it is valuable for far more than its historical implications. In seven wonderfully integrated parts, different aspects of human existence are magnified and reduced, reordered and emphasized, newly examined, analyzed, and experienced.

This is Bob Monkhouse's classic autobiography. One of Britain's most enduring and famous comedians tells us in his own inimitable style the fascinating and often hilarious story of his life. From disclosures of very painful personal tragedies to extraordinary and outrageously funny anecdotes about the stars he knew, his confessions are blisteringly honest, touching - and often shocking. Crying With Laughter combines heartache with hilarity, sexy showbiz revelations with genuinely moving tales of the hard times, and typically

funny jokes with sobering personal reflections, to create a passionate, witty and sparkling account of an extraordinary man's extraordinary life.

A tragicomic story of bad dates, bad news, bad performances, and one girl's determination to find the funny in high school from the author of Denton Little's Deathdate. Winnie Friedman has been waiting for the world to catch on to what she already knows: she's hilarious. It might be a long wait, though. After bombing a stand-up set at her own bat mitzvah, Winnie has kept her jokes to herself. Well, to herself and her dad, a former comedian and her inspiration. Then, on the second day of tenth grade, the funniest guy in school actually laughs at a comment she makes in the lunch line and asks her to join the improv troupe. Maybe he's even . . . flirting? Just when Winnie's ready to say yes to comedy again, her father reveals that he's been diagnosed with ALS. That is . . . not funny. Her dad's still making jokes, though, which feels like a good thing. And Winnie's prepared to be his straight man if that's what he wants. But is it what he needs? Caught up in a spiral of epically bad dates, bad news, and bad performances, Winnie's struggling to see the humor in it all. But finding a way to laugh is exactly what will see her through. \*\*A Junior Library Guild Selection\*\*
