The two hundred-year story of the global working class and its many struggles for justice.

The stories in this book come to life through the voices of remarkable individuals; child laborers in Dickensian England, visionary women on Parisian barricades, gun-toting railway strikers in Americas Wild West, and beer-swilling German metalworkers who tried to stop World War I. It is a story of urban slums, self-help cooperatives, choirs and brass bands, free love, and self-education by candlelight. And, as the author shows, in the developing industrial economies of the world, it is still with us. *Live Working or Die Fighting* celebrates a common history of defiance, idealism, and self-sacrifice, one as alive and active today as it was two hundred years ago. It is a unique and inspirational book.

"Books that are sooo bad, -they good!!" And many do love reading them just too damned ashamed to admit it lol! A short novella situated in and around the rather disrupted working life of one Cal. Tet, 1968. That was the Vietnam War's D Day, Battle of the Bulge, Iwo Jima, Crossing of the Rhine. In a series of battles in all parts of the country, condensed mostly in a three day span - although a few fights (Khe Sanh, Hue City) lasted longer - the Viet Cong were effectively destroyed as a fighting entity, and the North Vietnamese Army was severely damaged. Tet, 1968 was also when the United States lost the Vietnam War. In THE SQUAD one fourteen man US Marine Corps rifle squad led by Sergeant George Bingham is in a routine ambush outside a remote fire base in northern I Corps, close to the Demilitarized Zone between North and South Vietnam. This is the night before a scheduled cease fire for the Tet holiday; they don't expect any problems. When their fire base is unexpectedly hit by a superior force of North Vietnamese, the squad loses communication, and the Marines on the fire base are

driven back. Unfortunately, the loss of communications means the squad doesn't get the word to pull out of their ambush and rejoin the rest of their company for the withdrawal. Their failure to rejoin their company leaves the other Marines thinking they were found and wiped out by the North Vietnamese. Morning finds the fourteen Marines not dead or even wounded, but alone deep behind North Vietnamese lines. Without knowing what's going on, or where friendly units are, Sergeant Bingham and his Marines must find a way to evade contact with the thousands of enemy soldiers, and reconnect with other Marines. Complicating matters, they started out with only enough supplies on the ambush to last overnight. Who are these Marines? How do they relate to each other? In order to tell their story properly, LtCol R. W. Thoreau, the fictional narrator whose After Action Reports and historical analysis are spread throughout the novel, begins the story on March 9, 1965, the day Bingham learns of the Marine landing at Da Nang, which was the beginning of the American ground war in Vietnam. Bingham drops out of college at the end of the term and enlists in the Marines. The members of this squad, as is the case in all squads, have strong friendships - as well as conflicts among the Marines.

Ever witness a miracle up front? Do you know anybody who has seen many and lived to tell it all? If your answer is no, you should read my book "Wounded." It is based on a true story of one man's struggles throughout his life. It will take you to the depths of poverty like no other. It will display how hard it is for someone to survive lacking the basic needs in life. The main character is a man named Santiago Jim Nunez. He is a Mexican American born in East Los Angeles, CA in 1949. He lived through foster homes since the age of six years old till he was

18 years old. His struggles continued when he went to fight in the Vietnam War. He was critically wounded and returned home. Only to discover a world where nobody cared about the veterans coming back from Nam. The aftermath and pain that came with it was draining. The lengthy battles with the VA to the constraints of money and resources. The battle between good and evil showdowns the ultimate test of faith. The battle is constantly fought throughout the entire book. This story is through the eyes of a young, battle weary soldier, adjusting to civilian life. The horrors that came home with Jim were relentless. They also took a toll on his personal relationships and his family. With nowhere to turn for help and the VA's lack to acknowledge veteran issues, Jim turned to the Lord for help. His faith would be tested in the most crucial times of his life. Throughout all the good and bad times, Jim never lost his faith. It is the biggest reason he conquered his demons and is here to share his story today. His story is one that is not here to glamourize his mistakes. What it is here for is to instill hope and faith in others who feel alone. To help those who have gone through the same pitfalls as he has. Others who feel like they have no place to turn for help. The same way he felt when he came back from Vietnam. It is here to give thanks to the many who helped him with his struggles along the way. It is here to give thanks to the Lord for all his blessings he has endured through life. The great changes he made to make life worth living and fighting for.

Events we were told were consigned to history—democratic revolt and social revolution—are being lived by millions of people. In this compelling new book, Paul Mason explores the causes and consequences of this great unrest. From Cairo to Athens, Wall Street and Westminster to Manila, Mason goes in search of the changes in society, technology and human behavior that have propelled a generation onto the streets in search of social justice. In a narrative that blends historical insight with first-person reportage, Mason shines a light on these new forms of activism, from the vast, agile networks of cyberprotest to the culture wars and tent camps of the #occupy movement. The events, says Mason, reflect the expanding power of the individual and call for new political alternatives to elite rule and global poverty.
