novels. He married his editor, Jean Factor, in 1934.

Lust For Life: Amazon.co.uk: Stone, Irving: 9781787461390 ...

After finishing Irving Stone's "The Agony and the Ecstasy," I turned to his other historical novel about an artist. Aptly titled "Lust for Life," the book covers the short painting career of Dutch post-impressionist Vincent van Gogh, who became an artist after failed stints as a teacher and minister. He was 27-years-old.

Irving Stone

"Lust for Life" is a very good debut novel authored by Irving Stone. It closely follows the life of Vincent van Gogh. There is much dialogue that has to have been imagined. There is also a fairly strange delusional episode that the author states is fictionalized.

Vincent van Gogh's life is also the least understood. For more than a century, biographers and historians seeking definitive facts about what happened on a December night in Arles have unearthed more questions than answers. Why would an artist at the height of his powers commit such a brutal act? Who was the mysterious "Rachel" to whom he presented his macabre gift? Did he use a razor or a knife? Was it just a segment—or did Van Gogh really lop off his entire ear? In *Van Gogh's Ear*, Bernadette Murphy reveals, for the first time, the true story of this long-misunderstood incident, sweeping away decades

Read PDF Lust For Life Irving Stone

of myth and giving us a glimpse of a troubled but brilliant artist at his breaking point. Murphy's detective work takes her from Europe to the United States and back, from the holdings of major museums to the moldering contents of forgotten archives. She braids together her own thrilling journey of discovery with a narrative of Van Gogh's life in Arles, the sleepy Provençal town where he created his finest work, and vividly reconstructs the world in which he moved—the madams and prostitutes, café patrons and police inspectors, shepherds and bohemian artists. We encounter Van Gogh's brother and

Read PDF Lust For Life Irving Stone

benefactor Theo, his guest and fellow painter Paul Gauguin, and many local subjects of Van Gogh's paintings, some of whom Murphy identifies for the first time. Strikingly, Murphy uncovers previously unknown information about "Rachel"—and uses it to propose a bold new hypothesis about what was occurring in Van Gogh's heart and mind as he made a mysterious delivery to her doorstep. As it reopens one of art history's most famous cold cases, Van Gogh's Ear becomes a fascinating work of detection. It is also a study of a painter creating his most iconic and revolutionary work, pushing himself ever

Read PDF Lust For Life Irving Stone

closer to greatness even as he edged toward madness—and one fateful sweep of the blade that would resonate through the ages.

Van Gogh's brother Theo was his confidant and companion, and, in his letters to him, Van Gogh reveals himself as artist and man. Even more than if he had purposely intended to tell his life story, Van Gogh's letters lay bare his deepest feelings, as well as his everyday concerns and his views of the world of art.

ABOUT THE BOOK In 2011, the Van Gogh Museum

in Amsterdam housing the worlds largest collection of Van Gogh paintings received a staggering total of 1.6 million visitors through its doors (The Van Gogh Museum). That's not surprising. Is there anyone out there who doesn't know Vincent van Gogh and his paintings? He is undoubtedly one of history's most celebrated modern artists. Vincent van Gogh lived at a time when the ethereal style of the 19th century Impressionist painters was de rigueur. Although he admired the Impressionists and studied their techniques, Van Gogh had a rebellious, avant-garde way of painting which

Read PDF Lust For Life Irving Stone

put him at odds with the conventions of his day (Letters, Letter from Dr. Tralbaut). There were other rebels like him. Post-Impressionist contemporaries such as Paul Gaugain, Emile Bernard, and Paul Cezanne were experimenting with bold colors and distorted forms. They tried to express certain moods in their painted works which Impressionism could not. The work of all these artists helped usher in the era of Modern art, broadening what future generations would accept as art (Heinich and Browne, The Glory of Van Gogh: An Anthropology of Admiration). But more than a hundred years later, Van Gogh is the artist-

rebel everyone thinks of first. MEET THE AUTHOR Frances Billano is a gourmet cook-for-hire and singer. She graduated from Ateneo de Manila University and worked for the Asian Institute of Management. EXCERPT FROM THE BOOK This Uncle Cent was a partner at Goupil & Cie, a leading French art dealership at the time. In keeping with family tradition, young Vincent began as a trainee at the companys office in The Hague in 1869. It was his first exposure to the European art industry. He got the chance to see works of artists from different countries up close. Four years later, the company was satisfied with his

performance and assigned him to their London office. At first, Vincent took pleasure in being an art dealer. He enjoyed going to work daily at the gallery on Southampton Street, and clients liked dealing with him (Bonger-Van Gogh, Memoir). He was earning enough to live comfortably in a boarding house in the suburbs, occasionally sending extra money home to his family. He was dandy enough to buy a top hat to wear (Letters, Reverend Van Gogh to Theo, 1873)... Buy a copy to keep reading! NEW YORK TIMES BESTSELLER • “The definitive biography for decades to come.”—Leo Jansen, curator, the Van Gogh Museum, and co-editor of Vincent van Gogh: The Complete Letters Steven Naifeh and Gregory White Smith, who galvanized readers with their Pulitzer Prize-winning biography of Jackson Pollock, have written another tour de force—an exquisitely detailed, compellingly readable

Read PDF Lust For Life Irving Stone

portrait of Vincent van Gogh. Working with the full cooperation of the Van Gogh Museum in Amsterdam, Naifeh and Smith have accessed a wealth of previously untapped materials to bring a crucial understanding to the larger-than-life mythology of this great artist: his early struggles to find his place in the world; his intense relationship with his brother Theo; and his move to Provence, where he painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh's inner world: his erratic and tumultuous romantic life; his bouts of depression and

Read PDF Lust For Life Irving Stone

mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious, ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity that bring a completely new and sympathetic understanding to this unique artistic genius.
