Dealing with all insurance risks other than marine, this text contains sections on insurable interest, non-disclosure, reinsurance, conflict of laws and policy terms. It also includes the Unfair Terms in Consumer Contract Regulations 1994 and the Rome Convention on Conflict of Laws.

Essential for insurers and their brokers, MacGillivray on Insurance Law is a classic work which deals with insurance risks and takes into account the key legislative developments and judicial decisions in this area. The 12th Edition will bring this well-regarded work up to date and marks the 100th anniversary since the first edition. It provides you with analysis of essential cases from the insurance sector and includes a wide range of authorities, comparing English law with its Scottish, US and Commonwealth counterparts providing you with a clear understanding of the key themes. It also deals with the new law under the Consumer Insurance (Disclosure and Representations) Act 2012 and considers the latest restructuring of the FSA and Bank of England, looking at the shift of responsibilities.
