Ulica Mila 18 was the headquarters "bunker" of the Jewish Combat Organization, a Jewish resistance group in the Warsaw Ghetto in Poland during World War II. The "bunker" at Mila 18 was constructed by a group of underworld smugglers in 1943. The ŻOB fighters arrived there after their own hideout, at 29 Mila Street, had been discovered.

Gideon Zadok arrives in Israel with every intention to research a new book, mend a broken marriage, and improve his dysfunctional family. But as political tensions escalate and his family is evacuated, Zadok asks to follow Israeli paratroopers to secure Mitla Pass and finds himself in the midst of one of the largest global crises of the twentieth century. A sweeping novel of love, passion, and freedom, Mitla Pass stands as an epic look at modern Middle Eastern history and is quite possibly Uris's most autobiographical work.

~~Mila 18 - The Jewish Museum~~

On the eve of Passover, April 19, 1943, Jews in the Warsaw Ghetto staged a now legendary revolt against their Nazi oppressors. Since that day, the deprivation and despair of life in the ghetto and the dramatic uprising of its inhabitants have captured the American cultural imagination. The Warsaw Ghetto in American Art and Culture looks at how this place and its story have been remembered in fine art, film, television, radio, theater, fiction, poetry, and comics. Samantha Baskind explores seventy years' worth of artistic representations of the ghetto and revolt to understand why they became and remain touchstones in the American mind. Her study includes iconic works such as Leon Uris's best-selling novel Mila 18, Roman Polanski's Academy Award-winning film The Pianist, and Rod Serling's teleplay In the Presence of Mine Enemies, as well as accounts in the American Jewish Yearbook and the New York Times, the art of Samuel Bak and Arthur Szyk, and the poetry of Yala Korwin and Charles Reznikoff. In probing these works, Baskind pursues key questions of Jewish identity: What links artistic representations of the ghetto to the Jewish diaspora? How is art politicized or depoliticized? Why have Americans made such a strong cultural claim on the uprising? Vibrantly illustrated and vividly told, The Warsaw Ghetto in American Art and Culture shows the importance of the ghetto as a site of memory and creative struggle and reveals how this seminal event and locale served as a staging ground for the forging of Jewish American identity.

~~Mila 18 - The Jewish Museum~~

As the best-selling author of Exodus, Mila 18, QB VII, and Trinity, Leon Uris blazed a path to celebrity with books that readers could not put down. Uris's thirteen novels sold millions of copies, spent months on the best-seller lists, appeared in fifty languages, and have been adapted into equally popular movies and TV miniseries. Few other writers equaled Uris's fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and celebrity author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fiction!—has never been the subject of a book. In Leon Uris: Life of a Best Seller, Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences, coupled with Uris's embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (Battle Cry), life-threatening travels in Israel (Exodus), visit to Communist Poland (Mila 18), libel trial in Britain (QB VII), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (Trinity). Nadel also demonstrates that Uris's talent for writing action-packed, yet thoroughly researched, novels meshed perfectly with the public's desire to revisit and understand the tumultuous events of recent history. This made him far more popular (and wealthy) than more literary authors, while paving the way for writers such as Irving Wallace and Tom Clancy.
