In volume 5 of his struggle, Karl Ove goes to Bergen as a student of creative writing. He finds it hard going and he is really quite sensitive to criticism and to real or imagined slights. He is interested initially in Ingvild who soon decides she prefers his brother Yngve then later Gunnar who he is with for around four years.

By Kim Adrian The following is a lightly edited excerpt from Kim Adrian's forthcoming book, a critical analysis of My Struggle written as a series of letters to the author himself. April 29, 2019

Almost ten years have passed since Karl Ove Knausgaard's father drank himself to death. Vulnerable and assailed by doubts, he is now embarking on a new novel. With an uncanny eye for detail, Knausgaard breaks down his own life story to its elementary particles, reliving

memories, reopening wounds, and examining with candor the turbulence and the epiphanies that emerge from his own experience of fatherhood, the fallout in the wake of his father's death, and his visceral connection to music, art, and literature. Karl Ove's dilemmas strike nerves that give us raw glimpses of our particular moment in history as we witness what happens to the sensitive and churning mind of a young man trying- as if his very life depended on it- to find his place in the disjointed world around him. This Proustian masterpiece opens a window into one of the

The concluding sentences of the book [are] placid, plain, achieved. They have what Walter Benjamin called 'the epic side of truth, wisdom.' --James Wood, *The New Yorker*

"While not unconcerned with finding objective truth in the moments he recounts, Mr. Knausgaard aims first to simply record them, to try to shape the banal into something worth remembering. Here, Karl Ove Knausgaard examines life, death, love and literature with unsparing rigour and begins to count the cost of his project. He reflects on the fallout from the earlier books as he faces the pressures of literary acclaim and its often shattering repercussions. *The End* is at once a meditation on writing and its relationship with reality, and an account of a writer's relationship with himself - his ambitions, his frailties and doubts.
