Open: An Autobiography is a memoir written by former professional tennis player Andre Agassi with assistance from J. R. Moehringer published on November 9, 2009. Throughout the book, Agassi, an eight-time Grand Slam champion and former world No. 1, details his challenging childhood under the supervision a demanding father and prolonged struggles with the physical and psychological tolls of professional tennis. Despite controversy surrounding Agassi's admission to using methamphetamine in 1997, t

## Read Book Open An Autobiography

demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game. Coaxed to swing a racket while still in the crib, forced to hit hundreds of balls a day while still in grade school, Agassi resented the constant pressure even as he drove himself to become a prodigy, an inner conflict that would define him. Now, in his beautiful, haunting autobiography, Agassi tells the story of a life framed by such conflicts. Agassi makes us feel his panic as an undersized seven-year-old in Las Vegas, practicing all day under the obsessive gaze of his violent father. We see him at thirteen, banished to a Florida tennis camp. Lonely, scared, a ninth-grade dropout, he rebels in ways that will soon make him a 1980s icon. By the time he

## Read Book Open An Autobiography

turns pro at sixteen, his new look promises to change tennis forever, as does his lightning fast return. And yet, despite his raw talent, he struggles early on. We feel his confusion as he loses to the world's best, his greater confusion as he starts to win. After stumbling in three Grand Slam finals, Agassi shocks the world, and himself, by capturing the 1992 Wimbledon. Overnight he becomes a fan favorite and a media target. Agassi brings a near-photographic memory to every pivotal match, and every public relationship. Alongside vivid portraits of rivals, Agassi gives unstinting accounts of his brief time with Barbra Streisand and his doomed marriage to Brooke Shields. He reveals the depression that shatters his confidence, and the mistake that nearly costs him everything. Finally, he recounts his spectacular resurrection and his march to become the oldest man ever ranked number one. In clear, taut prose, Agassi evokes his loyal brother, his wise coach, his gentle trainer, all the people who help him regain his balance and find love at last with Stefanie Graf. With its breakneck tempo and raw candor, *Open* will be read and cherished for years. A treat for ardent fans, it will also captivate readers who know nothing about tennis. Like Agassi's game, it sets a new standard for grace, style, speed and power.

gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game.

NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. "A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down."—Serena Williams In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice

on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve,

## Read Book Open An Autobiography

1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record No Sleep 'Til Hammersmith and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. White Line Fever, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

## Read Book Open An Autobiography

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés – “chicken or

fish," "Daisy Duke," "football jinx," "mom jeans," "sexual napalm..." and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

With candor, heart, and intelligence, Rafael Nadal takes readers on his life's dramatic and triumphant journey, never losing sight along the way of the prize he values above all others: the unity and love of his family. In this memoir, written with award-winning journalist John Carlin, Nadal, one of the greatest players in the history of tennis, reveals the secrets of his game and shares the inspiring personal story behind his success. From the Mediterranean island of Mallorca, where he was coached by his uncle Toni from the age of four, to becoming the youngest professional tennis player ever to win all four Grand Slam titles, Nadal has managed the uncommon feat of being an acclaimed global celebrity while remaining an unfailingly gracious, relentlessly hardworking role model for people in all walks of life.--From publisher description.

Rod Laver's memoir is the inspiring story of how a diminutive, left-handed, red-headed country boy from Rockhampton, Australia became one of sports' greatest champions. Rod was a dominant force in world

## Read Book Open An Autobiography

tennis for almost two decades, playing and defeating some of the greatest players of the twentieth century. In 1962, Rod became the second man to win the Grand Slam - that is, winning the Australian, French, Wimbledon and US titles in a single calendar year. In 1969, he won it again, becoming the only player ever to win the Grand Slam twice. Laver's book is a wonderfully nostalgic journey into Laver's path to stardom, from the early days of growing up in a Queensland country town in the 1950s, to breaking into the amateur circuit, to the extraordinary highs of Grand Slam victories. Away from on-court triumphs, Rod also movingly writes about the life-changing stroke he suffered in 1998, and of his beloved wife of more than 40 years, Mary, who died in 2012 after a long illness. Filled with anecdotes about the great players and great matches, set against the backdrop of a tennis world changing from rigid amateurism to the professional game we recognize today, Rod's book is a warm, insightful and fascinating account of one of tennis's all-time greats.
