“Embrace your inner beta and get ahead - on your own terms. What does success look like? Five a.m. conference calls and late nights in the office? Winning every argument in the office and always getting your own way? What does a successful woman look like? The shoulder-pad wearing alpha?”

This Lean In for introverts empowers women who may not be the loudest and most assertive people in the room to lead on their own terms. Our culture tells us that in order to succeed at work and in life, we need to be vocal, assertive leaders; but a strong team requires multiple perspectives and personality types—even, or especially, the ones that often go under the radar. In this deeply relatable book, Rebecca Holman shares research and her own hard-won experiences to empower other introvert women to harness their strengths, rather than conform to a one-size-fits-all template of success. Quiet Girls Can Run the World shows introverts how to lead in ways that come naturally—by nurturing the talents of others, taking the time to reflect before making a decision, exercising emotional intelligence, and leaving egos at the door. In highlighting the power of “quiet” qualities, Holman also encourages us to push outside our comfort zones so we can stand our ground in expressing our views, work well with those who have different personalities, and bring our A game to each public speaking opportunity.

What does success look like? 5AM conference calls and late nights in the office? Winning every argument in the office and always getting your own way? What does a successful woman look like? The shoulder-pad wearing Alpha? The dogmatist who rules with an iron fist? The reality is far more nuanced. Yet women are still reduced to Alpha boss, or the Beta secretary or assistant but when 47% of the workforce are reduced to two unhelpful stereotypes, how can you embrace your inner Beta and be a success on your own terms? It's an important question because the world is changing, fast. Successful companies need people who can lead with emotional intelligence, be flexible to new ideas and adapt their plans when required, leaving their ego at the door. The Beta woman's time is now. Beta celebrates the collaborators, the pragmatists, and the people who believe that being nice works and getting your own way isn't always the most important thing. It explores the unsung workforce of Beta women who are being great bosses, great leaders and are still living their own lives: having relationships, making time for friends, having families. Fully researched and rich with interviews, anecdotes and case studies, Beta will be a smart and entertaining read that really explores the role of women in the workplace today.

What does success look like? 5AM conference calls and late nights in the office? Winning every argument in the office and always getting your own way? What does a successful woman look like? The shoulder-pad wearing Alpha? The dogmatist who rules with an iron fist? The reality is far more nuanced. Yet women are still pigeonholed as Alpha boss, or Beta secretary or assistant. When 47% of the workforce are reduced to two unhelpful stereotypes, how can you embrace your inner Beta and be a success on your own terms? It's an important question because the world is changing, fast. Successful companies need people who can lead with emotional intelligence, be flexible to new ideas and adapt their plans when required, leaving their ego at the door. The Beta woman's time is now. Beta celebrates the collaborators, the pragmatists, and the people who believe that being nice works and getting your own way isn't always the most important thing. It is a call-to-arms that explores the unsung workforce of Beta women who are being great bosses, great leaders and are still living their own lives: having relationships, making time for friends, having families. Beta inspires confidence and will help you in the workplace. Fully researched and rich with interviews, anecdotes and case studies, Beta is a smart and entertaining read that really explores the role of women in the workplace today.

"Duelling narratives propel this stunning psychological suspense...Hitchcock fans won't want to miss this nuanced, multilayered novel." Publishers Weekly A captivating tour de force untangling trauma, memory, and the justice we serve when everyone else has turned a blind eye. Good girls keep quiet. But quiet girls can't stay silent forever—and the consequences are sure to make some noise. When Alex arrives in Provincetown to patch things up with his new wife, Mina, he finds an empty wine glass in the sink, her wedding ring on the desk, and a string of questions in her wake. The police believe that Mina, a successful romance author, simply left, their marriage crumbling before it truly began. But what Alex finds in their empty cottage points him toward a different reality: Mina has always carried a secret. And now she's disappeared. In his hunt for the truth, Alex comes across Layla, a young woman with information to share, who may hold the key to everything his wife has kept hidden. A strange, quiet girl whose missing memories may break them all. To find his missing wife, Alex must face what Layla has forgotten. And the consequences are anything but quiet. In her debut thriller, S.F. Kosa presents a tightly-woven book sure to inspire questions about trauma, memory, and how well we ever know the people we love. "Prepare to be enthralled! The Quiet Girl will grab your emotions and then hang on with a death grip. Atmospheric and twisty enough to deliver whiplash, S.F. Kosa writes with a keen eye for detail and surprise endings. A compelling narrative that hums with momentum long after the reader is done." Maureen Joyce Connolly, author of Little Lovely Things

Demonstrates how introverted people are misunderstood and undervalued in modern culture, charting the rise of extrovert ideology while sharing anecdotal examples of how to use introvert talents to adapt to various situations.

"Hattie!" Carrie called, an edge to her voice. "Hattie, this isn't funny, come out now." Carrie moved forward through the woods on shaking legs. She tried calling, shouting, screaming, but everything was quiet. Her little sister was gone. Detective Carrie Flynn's sister Hattie was kidnapped when they were both just little girls, but the face of the man who took her is a blank in Carrie's memory. After the police never found the culprit, Carrie swore she would become a detective. Twenty years later, when eleven-year-old Melanie Wilson, a quiet girl who loves books, is reported missing, Carrie drowns in memories of her lost sister. Searching for Melanie, Carrie finds grainy black-and-white footage of the young girl with her parents at a harbour, boarding a boat and disappearing. Carrie realises they have headed for a deserted wasteland, the river island Pomona. What could make a family so desperate to escape their home? Then the police receive a mysterious message from another young woman, calling from the same docks where Melanie vanished: I gave you his name, where to find him, but you did nothing. My blood is on your hands. Carrie is sure Melanie and her family are in terrible danger. She knows what it's like to have the authorities give up on you, and something in the voice sounds horribly familiar. It may have nothing to do with her lost little sister, but she will never ignore a plea for help. To find Melanie, Carrie must unlock the memories she has buried for years — but will it be too late? Can Carrie use her own demons to bring Melanie home safely and finally get justice for her beloved sister? This absolutely unputdownable thriller will keep you up all night until you reach the final heart-stopping page! Perfect for fans of Angela Marsons, Val McDermid and Lisa Regan. Readers are utterly gripped by J. M. Hewitt: "I absolutely devoured this book in a matter of hours! The EEEEEKs and OMFGs started early on in this book for me! and actually, if I am completely honest, I am not sure when they stopped! The author had me hooked from the start and I was gutted when it ended as I just wanted MORE! MORE! MORE! Now THAT is how you write crime fiction!" Goodreads Reviewer, 5 stars "WOWSERS" extraordinary! fascinating plot! this clever story brings to life some fascinating and plausible characters and a really twisted, sick serial killer. I devoured this book in one afternoon." Goodreads Reviewer, 5 stars "Pure genius" Realistic and fascinating people who I rooted for and couldn't get enough of! a brilliant climax. I literally devoured the second half of this book in hours. Cannot recommend enough." Goodreads Reviewer, 5 stars "Absolutely fantastic, had me gripped!!! Loved it! Can't wait for more from this author." Goodreads Reviewer, 5 stars "Oh so good!!... There are hints into Carrie's dark past and I can't wait to find out what that entails." Goodreads Reviewer "Wow! Amazing book! Tons of twists and turns and suspense. Held my attention from the first page to the last page. Will definitely be recommending this to others and can't wait to read more by this author!" Goodreads Reviewer, 5 stars "Compulsive reading" addictive, suspenseful! The plot is unpredictable with lots of twists and turns along with solid, engaging characters. There is also a sense of dread as the story deals with the deep and dark corners of the human psyche! I very much enjoyed this and would recommend it to anyone!" Goodreads Reviewer

The internationally acclaimed bestselling author of Smilla's Sense of Snow returns with this "engrossing, beautifully written tale of suspense . . . captivating" (The Miami Herald). Set in Denmark in the here and now, Peter Hoeg's *The Quiet Girl* centers around Kaspar Krone, a world-renowned circus clown with a deep love for the music of Johan Sebastian Bach, and an even deeper gambling debt. Wanted for tax evasion and on the verge of extradition, Krone is drafted into the service of a mysterious order of nuns who promise him reprieve from the international authorities in return for his help safeguarding a group of children with mystical abilities -- abilities that Krone also shares. When one of the children goes missing, Krone sets off to find the young girl and bring her back, making a shocking series of discoveries along the way about her identity and the true intentions of his young wards. The result is a fast-paced, philosophical thriller blending social realism with the literary fantastic and pitting art and spirituality against corporate interests and nothing less than the will to war by the industrialized world. *The Quiet Girl* is a masterful, inventive novel that marks the triumphal return of one of the great writers of the international literary world.

After escaping the claws of Corrigan, the Lord Alpha of the Brethren, Mack is trying to lead a quiet lonely life in Inverness in rural Scotland, away from anyone who might happen to be a shapeshifter. However, when she lands a job at an old bookstore owned by a mysterious elderly woman who not only has a familiar passion for herbal lore but also seems to know more than she should, Mack ends up caught in a maelstrom between the Ministry of Mages, the Fae and the Brethren. Now she has to decide between staying hidden and facing the music, as well as confronting her real feelings for the green eyed power of Corrigan himself. This is the second book in the popular urban fantasy series, *Blood Destiny*.

Have you ever cried alone in the bathrooms at work, or felt completely overwhelmed by anxiety or fear? Ever wondered if there might be another way? *Finding My Way* is relevant to anyone who has struggled in the corporate world, who has suddenly realised they were getting caught up in other people's definition of success and wanted to define their lives for themselves, to live their own lives to the fullest. You may not have cried in the bathrooms at

work, but if you know the pain of feeling trapped and not knowing how to find a way out, this book will show you at least one way that worked. After over 15 years in the corporate world, Siobhán Kangataran found herself crying alone at work one too many times, and vowed to do something to find her own way out. By providing personal recollections, in addition to opportunities for reflection and useful recommended resources, Siobhán invites you to share her journey from the darkness of the fear and anxiety she experienced in the corporate world to the light she found on a far more creative career path. Advance praise for *Finding My Way*: "We can all learn from each other's stories and Siobhan tells hers beautifully. Filled with simple actions we can all take to have a happier, more productive working life, this is the book for you if you've ever wondered why your dream job isn't quite the dream you thought it would be." Harriet Minter, Journalist, speaker and advocate for women in leadership "From impostor syndrome to perfectionism, Siobhán's personal journey is essential reading for any woman who's forgotten how to love her career and needs reminding. Through the lens of her own experience, Siobhán has done a fantastic job of identifying pivotal moments in her own career and exploring how they apply to all of our experiences in the workplace. A brilliant mix of heartfelt personal experience and practical tips and tools that we can all apply to our own careers, *Finding My Way* offers a way for women reset their relationships with their careers and offer each other essential support." Rebecca Holman, Editor of *The Debrief* and author of *Beta: Quiet girls can run the world*

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.
