The symbols for saints are often iconic of lofty feats and extraordinarily high ideals of the Christian faith. Such is the case with John. The eagle is a powerful symbol of God's authority, unflinching faith, and the ascension of the holy word.

Symbols of the Saints on Whats-Your-Sign

Christianity has used symbolism from its very beginnings. Each saint has a story and a reason why they led an exemplary life. Symbols have been used to tell these stories throughout the history of the Church. A number of Christian saints are traditionally represented by a symbol or iconic motif associated with their life, termed an attribute or emblem, in order to identify them.

Saint symbolism - Wikipedia

Saints, Signs and Symbols W Ellwood Post. I was looking for a book of the whole area of Christian symbols, and this book covers a good section of it (though not as exhaustive as I need). There are 31 pages of about four entries per page showing in black and white line drawing the emblems of saints and also a brief paragraph identifying the ...

Saints, Signs and Symbols: The Symbolic Language of ...

Sometimes, a symbol can be linked to a number of saints and with different purposes. For a first example, the axe is known as a popular symbol of two saints – Boniface and Josaphat – but for two separate reasons. According to legend, Saint Boniface used an axe to chop down a pagan-worshipped oak tree in the name of Jesus Christ.

Symbols For Saints | SunSigns.Org

Saints, Signs, and Symbols is a comprehensive guide to symbols used in Christian liturgical art, architecture, manuscripts and stained glass. Examines the use and meaning of Christian symbols found in Renaissance art

"From the baptismal font to the tabernacle, the symbols we see in church stand for realities that point to the presence of God. Few Catholics, let alone non-Catholics, understand what a treasure their parish church is. This book provides the map."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

"Saints and their Symbols" is a guide for recognizing and understanding the saints, explaining why so many of the saints appear in images with Jesus and the Virgin Mary yet remain unnamed, which symbols are associated with each saint, and what their roles were in Christian salvation. With 265 full-color images and biographical information about the saints, this is a work of popular religious culture and anthropology.Liturgical Press

Book of SaintsWho are the saints, why are the lives of saints important for children, and what can children learn from lives and actions? In Loyola Kids Book of Saints, the first in the Loyola Kids series, best-selling author Amy Welborn answers these questions with exciting and inspiring stories, real-life applications, and important information about these heroes of the church. This inspiring collection of saints' stories explains how saints become saints, why we honor them, and how they help us even today. Featuring more than sixty saints from throughout history and from all over the world, Loyola Kids Book of Saints introduces children to these wonderful role models and heroes of the church. Ages 8-12.

Imagine the dangerous life of an early Christian. You've embraced your newfound faith in Christ but fear the risk of persecution or death at the hands of the pagans living around you. Then a trusted friend tells you about some of Jesus' followers who secretly meet. He whispers into your ear, "Look for a fish carved in a paving stone" by a certain home on the Via Tiburtina. You smile in gratitude. Still today, modern society recognizes those Christian symbols that kept the early Christians safely connected: they appear on churches, bumper stickers, mugs -- even mints and stuffed animals. Yet we are often ignorant of the rich meaning of these symbols: their origins in Scripture, in ancient culture, and in the preaching of the Church Fathers. In this book, noted author Mike Aquilina conducts an intriguing and insightful tour of the symbols that expressed the life and devotion of the Church through the first four centuries of its existence. He explains how Christians freely borrowed pagan and Jewish symbols, giving them new, distinctly Christian meanings. Recover the zeal of our spiritual ancestors as you learn to read their symbolic language -- and discover the impact the symbols still have on your life today. More than a hundred illustrations, reproduced by artist Lea Marie Ravotti from the ancient originals, beautifully complement the text. View a multimedia presentation and listen to an interview of the author here.

"Saints and Their Symbols features more than 120 of the saints most frequently portrayed in art and explains how to recognize these saints with the help of their symbols. This magnificently illustrated guide includes more than 200 classic images, in addition to text that details each saint's feast day and biography, as well as the people, activities, and locations under the saint's patronage."--P. [4] of cover.

"From Agatha to Zeno, this book presents the images and attributes of more than one hundred saints, those most frequently encountered in sacred art, history and legend, tradition and devotional literature. Lavishly illustrated, this book introduces the saints with their identifying attributes, notes on their lives and martyrdoms, and visual references that make it easy to identify their characters and legends and the forms of worship for each."--BOOK JACKET.
