Vols. for 197 - include Edunet news, ISSN 0146-1788.

2012 National Indie Excellence Award - African American Non-Fiction Finalist In 1895, members of the Caroline County Sunday School Union implemented a plan to build and operate a secondary school for Negro children in Caroline County, Virginia. The school, originally named Bowling Green Industrial Academy, then Caroline County Training School and finally Union High School, served as the only secondary school for Negro children in the county from 1903 to 1969. Union High alumni speak fondly of their school. With church and home, it was an important institution in their community. The administration and faculty nurtured, supported, and encouraged the students. They held them to high standards and expected to them to excel. Parents and members of the community strove to support the school in every way possible. And the school served all members of the community, not just students. For many, Union High was an oasis that sheltered them from the

hardships of growing up in a segregated society and provided them a solid foundation to become productive members of society. The last group of students graduated from Union High School on June 5, 1969. At the start of the 1969-1970 school year, both Black and White students attended the school, renamed Bowling Green Senior High School, when the Caroline County School system became integrated. Memories of Union High contains historical information, memories from alumni, faculty, family and friends, excerpts from school newspapers and yearbooks, over 100 photographs and other memorabilia. It is a fitting tribute to the people associated with Union High and a good history lesson for those who are not familiar with the school.

Originally published by Stevenson, Inc., this practical resource provides nonprofit organizations with information on how to use gift clubs to improve fundraising results, procedures for creating or improving gift clubs or levels, and examples of donor clubs and accompanying benefits. milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

Written generations ago, but highly relevant today, *The Bramble Bush* remains one of the books most recommended for students to read when considering law school, just before beginning its study, or early in the first semester. Its first edition began as a collection from a series of introductory lectures given by legal legend Karl Llewellyn to new law students at Columbia University. It still speaks to law, legal reasoning, and exam-taking skills in a way that makes it a classic for each new generation. The *Quid Pro Legal Legends Edition* includes an extensive, practical, and modern Introduction by Stewart Macaulay, a senior law professor at the University of Wisconsin-Madison. Macaulay updates the current reader on the book's continued relevance and application, offers a practical perspective to new law students, and places the original edition in its historical context. Simply put, Macaulay writes, this "is a book that anyone interested in law schools or law should read." The *Quid Pro Books* edition of the classic work also includes several unobtrusive annotations, to update the reader on legal terms and cultural references made in the original that may not be clear to today's reader. Moreover, this is a carefully proofread and presented edition, lacking the errors and scanning mistakes of other presses' editions in print. It is also available in paperback and clothbound formats from

Quid Pro, including the annotations and new Introduction by Prof. Macaulay.

Currie's masterful synthesis of legal analysis and narrative history, gives us a sophisticated and much-needed evaluation of the Supreme Court's first hundred years. "A thorough, systematic, and careful assessment. . . . As a reference work for constitutional teachers, it is a gold mine."—Charles A. Lofgren, Constitutional Commentary

Souvenir of NITROAA - National Institute of Technology (NIT) Rourkela Overseas Alumni Association's Fourth Annual Convention held in Parsippany, New Jersey in August, 2017

Thus the First Congress left us a rich legacy of arguments over the meaning of a variety of constitutional provisions, and the quality of those arguments was impressively high.
